

February 13, 2010

**Curriculum Vitae**  
Eddie Harmon-Jones

**Personal Information** \_\_\_\_\_

Texas A&M University  
Department of Psychology  
4235 TAMU  
College Station, TX 77843

Phone: (979) 845-9524  
Email: [eddiehj@gmail.com](mailto:eddiehj@gmail.com)

<http://www.socialemotive neuroscience.org/>

**Education** \_\_\_\_\_

- B.S. University of Alabama at Birmingham (1990)  
Major: Psychology
- M.A. University of Kansas (1992)  
Major: Social Psychology
- Ph.D. University of Arizona (1995)  
Major: Social Psychology; Minor: Psychophysiology

**Employment** \_\_\_\_\_

- 06/95 - 08/96: Postdoctoral Fellow at University of Texas Medical Branch at Galveston
- 09/96 – 05/97: Visiting Assistant Professor at University of Texas – Arlington
- 09/97 – 05/02: Assistant Professor at University of Wisconsin -- Madison
- 06/02 – 08/04: Associate Professor at University of Wisconsin – Madison
- 08/04 – 08/07: Associate Professor at Texas A&M University
- 09/07 – present: Professor at Texas A&M University

**Honors** \_\_\_\_\_

- Graduated *Magna Cum Laude*, 1990
- Graduated from University of Alabama at Birmingham with Honors in Psychology, 1990
- John Ost Award for Most Outstanding Undergraduate Research at UAB, 1990
- Society for Psychophysiological Research Distinguished Award for an Early Career Contribution to Psychophysiology, 2002
- Frank J. McGuigan Young Investigator Prize, Honorable Mention, 2002
- Vilas Associate Professor of Psychology, UW-Madison, 2002-2004
- Hilgard Visiting Professor of Psychology, Stanford University (2007)
- Fellow Association for Psychological Science (2008—present)
- Listed in the Institute for Scientific Information's *Essential Science Indicators* representing the top 1% of cited scientists in Psychiatry/Psychology
- 2009 Distinguished Alumni Award, University of Alabama at Birmingham, Department of Psychology

## Grant Support

---

- Science Directorate of American Psychological Association (host conference on cognitive dissonance theory), 1997, \$9,841
- Wisconsin Alumni Research Foundation (P. I.), 1998, \$10,637
- Wisconsin Alumni Research Foundation (P. I.), 1999, \$10,747
- Wisconsin Alumni Research Foundation (P. I.), 2000, \$11,000 (declined because support overlapped with NSF support)
- Wisconsin Alumni Research Foundation (P. I.), 2001, \$12,000
- B/START Grant from National Institute of Mental Health (P. I.; Effect of coping potential on frontal cortical activity), 1999, \$35,921
- National Science Foundation (P. I.; Action-Based Model of Cognitive Dissonance), 06/2000 to 06/2003, \$304,703
- Fetzer Institute (P. I.; Examining the mechanisms underlying self-report measures, with an emphasis on their cognitive, emotional, motivational, and biological substrates), 09/2000 to 08/2001, \$26,922
- National Institute of Mental Health (Co PI; BAS and Bipolar Spectrum: Biopsychosocial Integration), 2002-2007, \$1,528,047
- National Institute of Health Loan Repayment Program (PI; Approach Motivation System Dysregulation in Bipolar Disorder); 2003 – 2006, \$10,000
- National Science Foundation (P.I.; Anger & Approach Motivation), 2003-2006, \$317,000
- National Science Foundation (P.I.; Considering Approach Motivational Intensity within Positive Affect), 07/2007 – 06/2010, \$393,000
- National Institute of Mental Health (Co-I; BAS and Bipolar Disorder: Prospective Biobehavioral High Risk Design), 2007-2012, \$2,437,500
- National Science Foundation (P.I.; Approach Motivation, Anger, & Positive Affects), 09/2009 – 08/2012, \$466,225
- National Science Foundation (co-P.I.; Distinguishing impulse strength from self-control strength as causes of self-control failure), 09/2009 – 08/2012, \$375,000

## Books

---

1. Harmon-Jones, E., & Beer, J. S. (2009). *Methods in social neuroscience*. Guilford Publications: New York.
2. Harmon-Jones, E., & Winkielman, P. (2007). *Social Neuroscience: Integrating Biological and Psychological Explanations of Social Behavior*. Guilford Publications: New York.
3. Harmon-Jones, E., & Mills, J. (1999). *Cognitive Dissonance: Progress on a pivotal theory in social psychology*. Washington, DC: American Psychological Association.

## Articles and Chapters

---

1. Amodio, D. M., & Harmon-Jones, E. (in press). Trait emotions and startle eyeblink responses to affective pictures: On the unique relationship of trait anger. *Emotion*.
2. Gable, P. A., & Harmon-Jones, E. (in press). The effect of low vs. high approach-motivated positive affect on memory for peripherally vs. centrally presented information. *Emotion*.
3. Gable, P. A., & Harmon-Jones, E. (in press). Late positive potential to appetitive stimuli and local attentional bias: Integrating attention and motivation. *Emotion*.

4. Harmon-Jones, E. (in press). Cognitive dissonance. In Pashler, H., Crane, F., Kinsbourne, M., & Zemel, R. (Eds.), *Encyclopedia of Mind*. Thousand Oaks, CA: Sage Publications.
5. Harmon-Jones, E., & Harmon-Jones, C. (in press). On the relationship of trait PANAS positive activation and trait anger: Evidence of a suppressor relationship. *Journal of Research in Personality*.
6. Harmon-Jones, E. (in press). Neural bases of approach and avoidance. In M. D. Alicke & C. Sedikides (Eds.), *The Handbook of Self-Enhancement and Self-Protection*. New York: Guilford Press.
7. Harmon-Jones, E. (in press). Decisions, action, and neuroscience: A contemporary perspective on cognitive dissonance. In M. H. Gonzales, C. Tavriss, and J. Aronson (Eds.). *The scientist and the humanist: A festschrift in honor of Elliot Aronson*. New York: Psychology Press.
8. Gable, P. A., & Harmon-Jones, E. (in press). The motivational dimensional model of affect: Implications for breadth of attention, memory, and cognitive categorization. *Cognition and Emotion*.
9. Gable, P. A., & Harmon-Jones, E. (in press). The blues broaden, but the nasty narrows: Attentional consequences of negative affects low and high in motivational intensity. *Psychological Science*.
10. Harmon-Jones, E., Gable, P. A., & Peterson, C. K. (in press). The role of asymmetric frontal cortical activity in emotion-related phenomena: A review and update. *Biological Psychology*.
11. Harmon-Jones, E., Amodio, D. M., & Harmon-Jones, C. (in press). Action-based model of dissonance: On cognitive conflict and attitude change. In J. P. Forgas, J. Cooper, & B. Crano (Eds.), *Attitudes and attitude change*. New York: Psychology Press.
12. Harmon-Jones, E. (in press). On the emotive functions of asymmetrical frontal cortical activity. In A. Todorov, S. Fiske, & D. Prentice (Eds.), *Social Neuroscience: Toward Understanding the Underpinnings of the Social Mind*. Oxford University Press.
13. Harmon-Jones, E., Peterson, C. K., & Harmon-Jones, C. (in press). Anger, motivation, and asymmetrical frontal cortical activations. In M. Potegal, G. Stemmler, & C. Spielberger (Eds.), *Handbook of Anger: Constituent and concomitant biological, psychological, and social processes*. New York, NY: Springer.

34. Harmon-Jones, E., Vaughn, K., Mohr, S., Sigelman, J., & Harmon-Jones, C. (2001). Evidence that sympathy reduces relative left frontal activity associated with anger. *Psychophysiology*, *38*, S48.
35. Amodio, D. M., Harmon-Jones, E., Devine, P. G., & Graf, N. L. (2000). Physiological components of prejudice activation and control: Individual differences in attention- and emotion-modulated startle eyeblink responses. *Psychophysiology*, *37*, S23.
36. Harmon-Jones, E. (2000). Relationship between anger and asymmetrical frontal cortical activity. *Psychophysiology*, *37*, S18.
37. Harmon-Jones, E., & Gerdjikov, T. (2000). Test of the action-based model of cognitive dissonance: Evidence that commitment to behavior increases relative left frontal cortical activity. *Psychophysiology*, *37*, S46.
38. Coan, J. A., Allen, J. J. B., & Harmon-Jones, E. (1999). Approach/withdraw motivational states, emotion, and facial feedback. *Psychophysiology*, *36*, S41.
39. Harmon-Jones, E., Hubbell, C., & Peterson, H. (1999). Implemental mindset, prefrontal EEG asymmetry, and cognitive dissonance reduction. *Psychophysiology*, *36*, S57.
40. Harmon-Jones, E., Peterson, H., & Vaughn, K. (1999). Prefrontal resting asymmetry predicts empathic emotional responses. *Psychophysiology*, *36*, S58.
41. Coan, J. A., Allen, J. J. B., & Harmon-Jones, E. (1998). Manipulating frontal brain activity with facial muscle movement. *Psychophysiology*, *35*, S25.
42. Allen, J. J. B., Harmon-Jones, E., & Cavender, J. H. (1997). Manipulation of frontal EEG asymmetry alters self-reported affect and facial EMG. *Psychophysiology*, *34*, S17.

43. Harmon-Jones, E., & Allen, J. J. B. (1997). Voluntary activation of facial muscles alters the frontal asymmetry in EEG activity. *Psychophysiology*, 34, S42.
44. Harmon-Jones, E., & Allen, J. J. B., Barratt, E. S. (1996). Anger and prefrontal brain activity: EEG asymmetry consistent with approach motivation despite negative affective valence. *Psychophysiology*, 33, S44.
45. Harmon-Jones, E., & Allen, J. J. B. (1996). Anterior EEG asymmetry and facial EMG as evidence that affect is involved in the mere exposure effect. *Psychophysiology*, 33, S44.

### Poster Presentations

---

1. Price, T. F., & Harmon-Jones, E. (2010, January). *The Effect of Embodied Emotive States on Cognitive Categorization*. Poster presented at meeting of the Society for Personality and Social Psychology, Las Vegas.
2. Gable, P.A., & Harmon-Jones, E. (2010, January). *Affective Motivational Direction Model: Attentional Breadth of Positive and Negative Affects Varying in Motivational Intensity*. Poster presentation. Poster presented at meeting of the Society for Personality and Social Psychology, Las Vegas, Nevada.
3. Harmon-Jones, C., Schmeichel, B. J., & Harmon-Jones, E. (2010, January). *The expression of determination: Similarities between anger and approach-related positive affect*. Poster presented at meeting of the Society for Personality and Social Psychology, Las Vegas, Nevada.
4. Price, T. F., Peterson, C. K., & Harmon-Jones, E. (2009, October). *Motivational body postures lean toward left frontal brain activity*. Poster presented at meeting of Society for Psychophysiological Research, Berlin, Germany.
5. Peterson, C. K., Hawkins, K., & Harmon-Jones, E. (2009, October). *Unilateral hand contractions and responses to Cyberball: The role of asymmetrical frontal cortical activity in how we respond to social rejection*. Poster presented at meeting of the Society for Psychophysiological Research, Berlin, Germany.
6. Gable, P.A., & Harmon-Jones, E. (2009, October). *Asymmetrical frontal late positive potential (LPP) relates to local vs. global attentional precedence following desire vs. sadness primes*. Poster presentation. Society for Psychophysiological Research, Berlin, Germany.
7. Serra, R., Gable, P. A., & Harmon-Jones, E. (2009, October). *Asymmetrical Frontal Cortical Activity, Commitment to Action, and Resistance to Persuasion*. Poster presented at meeting of the Society for Psychophysiological Research, Berlin, Germany.
8. Gravens, L., Gable, P., & Harmon-Jones E. (2009, October). *Sympathy Modulates N170 Response to Fear vs. Neutral Facial Expressions*. Poster presented at meeting of Society for Psychophysiological Research, Berlin, Germany.
9. Harmon-Jones, C., Harmon-Jones, E., & Schmeichel, B. J. (2009). *Facial expressions of anger and determination perceived as similar*. Poster presented at meeting of the Society for Personality and Social Psychology, Tampa, Florida.
10. Gable, P.A., & Harmon-Jones, E. (2008). *Postauricular reflex responses to pictures varying in valence and arousal*. Poster presentation. Society for Psychophysiological Research, Austin, TX.

11. Gravens, L., Albert, H., Gable, P.A., & Harmon-Jones, E. (2008). *Unpacking mirror neurons: Contralateral EEG mu rhythm suppression on observing unilateral movement*. Poster presentation. Society for Psychophysiological Research, Austin, TX.
12. Peterson, C. K., Gravens, L., & Harmon-Jones, E. (2008). *Moderating effects of dysphoria on the acoustic startle eyeblink response during angering pictures*. Poster presented at meeting of the Society for Psychophysiological Research, Austin, TX.
13. Gable, P., & Harmon-Jones, E. (2008). *Attentional Consequences of Diverse Positive Emotions*. Poster presented at meeting of the Society for Personality and Social Psychology, Albuquerque, New Mexico.
14. Harmon-Jones, C., Schmeichel, B. J., & Harmon-Jones, E. (2008). *Symbolic Self-Completion Motives Expressed in Internet Communications*. Poster presented at meeting of the Society for Personality and Social Psychology, Albuquerque, New Mexico.
15. Peterson, C. K., Harmon-Jones, E., & Harris, C. (2008). *Jealousy: Novel methods and neural correlates*. Poster presented at meeting of the Society for Personality and Social Psychology, Albuquerque, New Mexico.
16. Gable, P., & Harmon-Jones, E. (2007). *Approach Motivated Positive Affect Causes Attentional Narrowing*. Poster presented at meeting of the Society for Personality and Social Psychology, Memphis, Tennessee.
17. Gable, P., & Harmon-Jones, E. (2007). *Effects of Appetitive Attitudes Towards Affective Pictures on Asymmetrical Frontal Cortical Activity*. Poster presented at meeting of Society for Personality and Social Psychology, Emotion Pre-Conference, Memphis, Tennessee.
18. Peterson, C. K. & Harmon-Jones, E. (2007). *The effects of unilateral hand contractions on contra-lateral hemispheric activity and aggression*. Poster presented at meeting of Society for Personality and Social Psychology, Emotion Pre-Conference, Memphis, Tennessee.
19. Peterson C. K., & Harmon-Jones, E. (2007). *Approach emotionality predicts EEG coherence between left motor cortex and left prefrontal cortex*. Poster presented at meeting of Society for Psychological Research, Savannah, GA.
20. Peterson C. K., & Harmon-Jones, E. (2007). *Asymmetrical frontal EEG and anger following social rejection*. Poster presented at meeting of Society for Psychological Research, Savannah, GA.
21. Gable P. A., & Harmon-Jones, E. (2007). *Relative left frontal EEG activation predicts attentional narrowing following appetitive stimuli*. Poster presented at meeting of Society for Psychological Research, Savannah, GA.
22. Harmon-Jones, C., & Harmon-Jones, E. (2006, January). *Unconfounding positive affect and approach motivation*. Poster presented at the 7<sup>th</sup> annual meeting of the Society for Personality and Social Psychology, Palm Springs, CA.
23. Nusslock, R., Coan, J., Abramson, L., & Harmon-Jones, E. (2006). *Frontal EEG asymmetry predicts cognitive vulnerability to depression*. Poster presented at annual meeting of the Society for Research in Psychopathology.
24. Gable, P. A., & Harmon-Jones, E. (2006). *Effects of appetitive attitudes towards affective pictures on asymmetrical frontal cortical activity*. Poster presented at annual meeting of the Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
25. Nusslock, R., Coan, J. A., Harmon-Jones, E., Abramson, L. Y., Curtin, J. J. (2006). *Pre-frontal brain asymmetry moderates laboratory induced human helplessness*. Poster

- presented at annual meeting of the Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
26. Nusslock, R., Coan, J. A., Abramson, L. Y., Harmon-Jones, E. (2006). *Frontal EEG asymmetry predicts cognitive vulnerability to depression*. Poster presented at annual meeting of the Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
  27. Peterson, C. K., Gable, P. A., & Harmon-Jones, E. (2006). *Behavioral inhibition system sensitivity predicts right frontal brain activity during and after affective pictures*. Poster presented at annual meeting of the Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
  28. Zinner, L. R., Harmon-Jones, E., & Devine, P. G. (2005, January). *The effects of aversive conditioning on implicit race bias*. Poster presented at the 6<sup>th</sup> annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.
  29. Brodish, A., Zinner, L., Devine, P., & Harmon-Jones, E. (2005). *EEG asymmetry in anticipation of interracial interactions*. Poster presented at the 7<sup>th</sup> annual meeting of the Society for Personality and Social Psychology, Palm Springs, CA.
  30. Zinner, L. R., Brodish, A. B., Devine, P. G., & Harmon-Jones, E. (2005). *Anger and EEG asymmetry in anticipation of an interracial interaction*. Poster presented at the 7<sup>th</sup> annual meeting of the Society for Personality and Social Psychology, Palm Springs, CA.
  31. Nusslock, R., Abramson, L., Harmon-Jones, E., Alloy, L., & Hogan, M. (2005). *A Goal-Striving Life Event and the Onset of Bipolar Episodes: Perspective from the Behavioral Approach System (BAS) Dysregulation Theory*. Poster presented at annual meeting of the Society for Research in Psychopathology.
  32. Amodio, D. M., Devine, P. G., & Harmon-Jones, E. (2004). *Prejudice-related guilt: Associations with asymmetrical frontal EEG and reparatory behavior*. Poster presented at the 44<sup>rd</sup> annual meeting for the Society for Psychophysiological Research, Santa Fe, NM.
  33. Kubota, J. T., Amodio, D. M., Harmon-Jones, E., & Devine, P. G. (2004). *Alternative mechanisms for prejudice control in public vs. private situations: Effects of ERN and P<sub>e</sub>*. Poster presented at the 44<sup>rd</sup> annual meeting for the Society for Psychophysiological Research, Santa Fe, NM.
  34. Amodio, D. M., Devine, P. G., & Harmon-Jones, E. (2004, January). *Neural signals for the detection of race bias: Implications for individual differences in regulatory ability*. Poster presented at the 5<sup>th</sup> annual meeting of the Society for Personality and Social Psychology, Austin, TX.
  35. Zinner, L. R., Harmon-Jones, E., Devine, P. G. & Amodio, D. M. (2004, January). *Prejudice level and aversive conditioning to Black and White faces*. Poster presented at the 5<sup>th</sup> annual meeting of the Society for Personality and Social Psychology, Austin, TX.
  36. Amodio, D. M., Harmon-Jones, E., Devine, P. G., Curtin, J. J., Hartley, S., & Covert, A. (2003). *A neural mechanism for preconscious detection of race bias and recruitment of control*. Poster presented at meeting of Society for Personality and Social Psychology, Los Angeles, CA (Amodio was awarded a graduate student poster award for this).
  37. Brodish, A., Devine, P., Harmon-Jones, E., Vance, S., Buswell, B., Barnowsky, K. & McIntosh, D. (2003). *Prejudice level differences in empathic affect depend on target race*. Poster presented at meeting of Society for Personality and Social Psychology, Los Angeles, CA.

38. Amodio, D. M., Devine, P. G., & Harmon-Jones, E. (2003). *Neural signals for the detection of race bias: Implications for regulatory ability*. Poster presented at meeting of Society for Psychophysiological Research, Chicago, IL.
39. Zinner, L. R., Harmon-Jones, E., Devine, P. G., & Amodio, D. M. (2003). *Differential conditioning of fear to ingroup and outgroup faces*. Poster presented at meeting of Society for Psychophysiological Research, Chicago, IL.
40. Amodio, D. M., Brazy, P. C., Shah, J. Y., & Harmon-Jones, E. (2002). *Implicit prevention and promotion goal orientation and asymmetrical frontal EEG activity*. Poster presented at meeting of Society for Psychophysiological Research, Washington, D. C.
41. Harmon-Jones, E., Sigelman, J., & Harmon-Jones, C. (2002). *Asymmetrical frontal brain activity while reflecting on ideal and ought goals*. Poster presented at meeting of Society for Psychophysiological Research, Washington, D. C.
42. Amodio, D. M., Devine, P. G., & Harmon-Jones, E. (2001). *Individual differences in prejudice activation and control: Their cognitive, affective, and physiological components*. Poster presented at meeting of Society for Personality and Social Psychology, San Antonio, Texas.
43. Harmon-Jones, E., Vaughn, K., Mohr, S., Sigelman, J., & Harmon-Jones, C. (2001). *Evidence that sympathy reduces relative left frontal activity associated with anger*. Poster presented at meeting of Society for Psychophysiological Research, Montreal, Canada.
44. Urosevic, S., Abramson, L. Y., Harmon-Jones, E., Donovan, P., Van Voorhis, L., Alloy, L.B., & Hogan, M.E. (2001). *Investigating the relationship between bipolar disorder and behavioral activation system*. Poster presented at meeting of Society for Research in Psychopathology, Madison, WI.
45. Amodio, D. M., Harmon-Jones, E., Devine, P. G., & Graf, N. L. (2000). *Physiological components of prejudice activation and control: Individual differences in attention- and emotion-modulated startle eyeblink responses*. Poster presented at meeting of Society for Psychophysiological Research, San Diego, California.
46. Harmon-Jones, E., & Gerdjikov, T. (2000). *Test of the action-based model of cognitive dissonance: Evidence that commitment to behavior increases relative left frontal cortical activity*. Poster presented at meeting of Society for Psychophysiological Research, San Diego, California.
47. Coan, J. A., Allen, J. J. B., & Harmon-Jones, E. (1999). *Approach/withdraw motivational states, emotion, and facial feedback*. Poster presented at meeting of Society for Psychophysiological Research, Granada, Spain.
48. Harmon-Jones, E., Hubbell, C., & Peterson, H. (1999). *Implemental mindset, prefrontal EEG asymmetry, and cognitive dissonance reduction*. Poster presented at meeting of Society for Psychophysiological Research, Granada, Spain.
49. Harmon-Jones, E., Peterson, H., & Vaughn, K. (1999). *Prefrontal resting asymmetry predicts empathic emotional responses*. Poster presented at meeting of Society for Psychophysiological Research, Granada, Spain.
50. Coan, J. A., Allen, J. J. B., & Harmon-Jones, E. (1998). *Manipulating frontal brain activity with facial muscle movement*. Poster presented at meeting of Society for Psychophysiological Research, Denver, Colorado.
51. Dugosh, J. W., Harmon-Jones, E., Leggett, K. L., & West, T. L. (1997, April). *Need for cognitive closure relates to dissonance-produced attitude change*. Poster presented at meeting of Southwestern Psychological Association, Fort Worth, TX.

52. Leggett, K. L., Harmon-Jones, E., Dugosh, J. W. (1997, April). *Stimulus attractiveness and individual differences on the mere exposure effect*. Poster presented at meeting of Southwestern Psychological Association, Fort Worth, TX.
53. Allen, J. J. B., Harmon-Jones, E., & Cavender, J. H. (1997). *Manipulation of frontal EEG asymmetry alters self-reported affect and facial EMG*. Poster presented at meeting of Society for Psychophysiological Research, Cape Cod, MA.
54. Harmon-Jones, E., & Allen, J. J. B. (1997). *Voluntary activation of facial muscles alters the frontal asymmetry in EEG activity*. Poster presented at meeting of Society for Psychophysiological Research, Cape Cod, MA.
55. Harmon-Jones, E. (1996, April). *Probing the mere exposure effect with psychophysiological indices of affect*. Poster presented at Southwestern Psychological Association, Houston, TX.
56. Harmon-Jones, E., & Allen, J. J. B. (1996, June). *Behavioral activation sensitivity and resting frontal EEG asymmetry*. Poster presented at meeting of American Psychological Society, San Francisco, CA.
57. Harmon-Jones, E., & Allen, J. J. B. (1996, October). *Anger and prefrontal brain activity: EEG asymmetry consistent with approach motivation despite negative affective valence*. Poster presented at meeting of Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
58. Harmon-Jones, E., & Allen, J. J. B. (1996, October). *Anterior EEG asymmetry and facial EMG as evidence that affect is involved in the mere exposure effect*. Poster presented at meeting of Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
59. Harmon-Jones, E., Brehm, J. W., Greenberg, J., Simon, L., & Nelson, D. E. (1995, September). *Evidence that the production of aversive consequences is not necessary to create cognitive dissonance*. Poster presented at meeting of Society for Experimental Social Psychology, Washington, D.C.

### Oral Presentations

---

1. Harmon-Jones, E. (2010, January). *Electroencephalographic methods in social and personality psychology*. Symposium presentation at Society for Personality and Social Psychology Conference, Las Vegas, Nevada.
2. Harmon-Jones, E. (2009, November). *Separating Motivational Direction from Emotional Valence: Implications for Asymmetrical Frontal Cortical Activity, Anger, and Positive Emotions*. Invited address accepting 2009 UAB Department of Psychology Distinguished Alumni Award.
3. Gable, P. A., & Harmon-Jones, E. (2009, October). *Multiple measures of approach motivation relating to early and late ERP components to appetitive stimuli*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Berlin, Germany.
4. Harmon-Jones, E. (2009, October). *Asymmetrical frontal cortical activity and motivational direction: Methods and memories*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Berlin, Germany.

5. Harmon-Jones, E., & Peterson, C. K. (2009, October). *Approach motivational processes involved in responses to social rejection*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Berlin, Germany.
6. Harmon-Jones, E. (2009, October). *Emotion, motivation, and the body: Being in a supine body position affects central psychophysiological responses to emotion manipulations*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Berlin, Germany.
7. Harmon-Jones, E. (2009, October). *Negative Emotions and Approach Motivational Processes: Toward an Understanding of the Relationship between Emotional Responses and Psychological Consequences*. Symposium presentation at annual meeting of Society for Experimental Social Psychology, Portland, Maine.
8. Harmon-Jones, E. (2009, October). *Recent developments in the study of asymmetric prefrontal cortical activation and motivation*. Invited Speaker. Social & Affective Neuroscience Society Annual Meeting, New York, NY.
9. Harmon-Jones, E. (2009, September). *The Electroencephalogram: Frequency- & Time-Based Measures*. Invited Speaker, Autumn School 2009, Research in Forensic Populations, Kloster Seeon, Germany.
10. Harmon-Jones, E. (2009, May). *An Action-Based Model Approach to Understanding Cognitive Dissonance Processes*. Symposium presentation at annual meeting of Association for Psychological Science, San Francisco, CA.
11. Harmon-Jones, E. (2009, May). *Psychophysiological Explorations of the Effects of Approach-Motivated Positive Affect on Narrowing of Cognition*. Symposium presentation at annual meeting of Association for Psychological Science, San Francisco, CA.
12. Harmon-Jones, E. (2009, April). *Separating Motivational Direction from Emotional Valence: Implications for Asymmetrical Frontal Cortical Activity, Anger, and Positive Emotions*. Colloquium at Department of Psychology, University of Minnesota.
13. Harmon-Jones, E. (2009, April). *Discussant for Symposium, Is anger in infants and young children an approach emotion?* Chairs: Michael Lewis, Margaret W. Sullivan. Biennial Meeting of Society for Research in Child Development, Denver, CO.
14. Harmon-Jones, E., Amodio, D. M., & Harmon-Jones, C. (2009, March). *An action-based model of cognitive dissonance: On cognitive conflict and attitude change*. Invited Speaker, 12<sup>th</sup> Annual Sydney Symposium of Social Psychology: Attitudes and Attitude Change, Sydney, New South Wales, Australia.
15. Harmon-Jones, E. (2009, February). *Neural Mechanisms of Goal Conflict, Approach, and Withdrawal: From the Action-Based Model of Dissonance to Approach-Motivated Narrowing of Attention*. Symposium presentation at Society for Personality and Social Psychology Conference, Tampa, Florida.
16. Gable, P. A., & Harmon-Jones, E. (2009, February). *Diverse Attentional Consequences of Positive Affects With High or Low Approach Motivation*. Symposium presentation at Society for Personality and Social Psychology Conference, Tampa, Florida.
17. Harmon-Jones, E. (2009, February). *Why should emotion scientists study the brain/body?* Invited symposium presentation at Emotion Pre-conference for Society for Personality and Social Psychology Conference, Tampa, Florida.
18. Harmon-Jones, E. (2008, December). *The role of emotion and motivation in aggressive behavior*. Invited speaker at workshop entitled, Justice and conflict: Brain and behavior mechanisms. Université de Genève, Geneva, Switzerland.

19. Harmon-Jones, E. (2008, December). *The role of approach motivational intensity within positive affect*. Invited talk to Swiss Center for Affective Sciences, Université de Genève, Geneva, Switzerland.
20. Harmon-Jones, E., Abramson, L. Y., Nusslock, R., Sigelman, J. D., Urosevic, S., Turonie, L., Alloy, L. B., & Fearn, M. (2008, November). *Effect of Bipolar Disorder on Left Frontal Cortical Responses to Goals Differing in Valence and Task Difficulty*. Symposium Presentation at Association for Behavioral and Cognitive Therapies, Orlando, FL.
21. Harmon-Jones, E. (2008, October). *Experimentation, dissonance, and attitudes: Jud Mills' contributions*. Symposium presentation at annual meeting of Society of Experimental Social Psychology, Sacramento, CA.
22. Harmon-Jones, E. (2008, October). *Unpacking the emotional functions of the pre-frontal cortex*. Symposium presentation at annual meeting of Society of Experimental Social Psychology, Sacramento, CA.
23. Gable, P. A., & Harmon-Jones, E. (2008, October). *Toward an understanding of the neural circuitry underlying the effect of approach motivated positive affect on local attentional bias*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Austin, TX.
24. Harmon-Jones, E. (2008, July). *Asymmetrical frontal cortical activity and approach-withdrawal motivation regulation*. Symposium Presentation at International Congress of Psychology, Berlin, Germany.
25. Harmon-Jones, E., Abramson, L. Y., Nusslock, R., Sigelman, J. D., Urosevic, S., Turonie, L., Alloy, L. B., & Fearn, M. (2008, May). *Effect of Bipolar Disorder on Left Frontal Cortical Responses to Goals Differing in Valence and Task Difficulty*. Symposium Presentation at Association for Psychological Science Conference, Chicago, IL.
26. Bender, R. E., Wagner, C. A., Alloy, L. B., Whitehouse, W. G., Abramson, L. Y., Hogan, M. E., Sylvia, L. G., & Harmon-Jones, E. (2008, May). *Bipolar Spectrum - Substance Use Comorbidity: Behavioral Approach System Sensitivity and Impulsiveness as Shared Vulnerabilities*. Symposium Presentation at Association for Psychological Science Conference, Chicago, IL.
27. Harmon-Jones, E. (2008, May). *Toward an understanding of the emotive functions of asymmetrical frontal cortical activity*. Invited Symposium Presentation at Society for the Study of Motivation Conference, Chicago, IL.
28. Harmon-Jones, E. (2008, May). *Approach Motivational Intensity Alters the Effects of Positive Affect on Cognition and Attention*. Symposium Presentation at Society for the Study of Motivation Conference, Chicago, IL.
29. Harmon-Jones, E. (2008, April). *Separating affective valence from motivational direction*. Invited colloquium, Department of Psychology, Temple University.
30. Harmon-Jones, E. (2008, April). *Toward an understanding of the emotive functions of asymmetrical frontal cortical activity*. Invited colloquium Child Study Center, Penn State University.
31. Harmon-Jones, E. (2008, April). *Considering approach motivational intensity within positive affect*. Invited colloquium Department of Psychology, Penn State University.
32. Harmon-Jones, E. (2008, April). *Separating motivational direction from affective valence*. Invited colloquium Department of Psychology, New York University.

33. Harmon-Jones, E. (2008, March). *Social psychological methods of emotion induction*. Invited presentation at Spring School 2008, Biopsychology of Emotions, Kloster Seeon, Bavaria, Germany.
34. Harmon-Jones, E. (2008, February). *Temporal and frequency measures derived from the electroencephalogram*. Invited presentation at Society for Personality and Social Psychology Training Committee Pre-Conference: A primer and sampler of neuroscience research in social and personality psychology, Albuquerque, New Mexico.
35. Harmon-Jones, E. (2007, October). *Considering motivational direction within affective valence*. Invited colloquium Stanford University, Department of Psychology.
36. Harmon-Jones, E., Abramson, L.Y., Nusslock, R., Sigelman, J.D., Urosevic, S., Turonie, L., Fearn, M. (2007, October). *Effect of bipolar disorder on relative left frontal cortical responses to goals differing in valence and task difficulty*. Symposium talk at annual meeting of Society for Psychophysiological Research, Savanna, GA.
37. Harmon-Jones, E. (2007, June 5-8). *Asymmetrical frontal brain activations and anger*. Invited address at Dutch Endo-Neuro-Psycho Meeting, The Netherlands.
38. Harmon-Jones, E. (2007, March). *The emotive functions of asymmetrical cortical activity*. Invited colloquium, University of Houston.
39. Harmon-Jones, E. (2007, March). *Empirical explorations into the neuroscience of human emotions*. Invited colloquium Texas A&M University, Department of Economics.
40. Harmon-Jones, E. (2007, February). *Considering the dimension of motivational direction in emotions*. Invited colloquium, Rice University.
41. Harmon-Jones, E. (2007, January). *Is the PFC involved only in the inhibition of negative affect?* Invited presentation at annual Emotions Pre-Conference at Society for Personality and Social Psychology Conference, Memphis, Tennessee.
42. Harmon-Jones, E. (2007, January). *An action-based model of cognitive dissonance*. Invited presentation at Society for Personality and Social Psychology Conference, Memphis, Tennessee.
43. Harmon-Jones, E. (2006, December). *Asymmetrical frontal cortical activity, approach motivation, and anger*, Invited colloquium, University of Toronto.
44. Harmon-Jones, E. (2006, October). *Integrating cognitive dissonance theory with neurocognitive models of control*. Invited presentation at annual meeting of Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
45. Harmon-Jones, E. (2006, September). *Anger, Approach Motivation, and Asymmetrical Prefrontal Cortical Activations*. Invited colloquium at University of Texas – Austin.
46. Harmon-Jones, E. (2006, August). *Considering the dimension of motivational direction in emotions*. Invited talk at American Psychological Association. New Orleans, LA.
47. Harmon-Jones, E. (2006, July). *Varieties of anger and their relationships to asymmetrical frontal cortical activity*. Invited presentation at International Society for Research on Aggression. Minneapolis, MN.
48. Harmon-Jones, E. (2006, May). *Discussion of Symposium entitled Regulating the Expression and Experience of Prejudice: Behavioral and Neuroscientific Approaches*. Invited presentation at Association for Psychological Science. New York: NY.
49. Harmon-Jones, E. (2006, April). *Considering motivational direction within emotion*. Colloquium presented to Psychology Department at University of Houston.
50. Harmon-Jones, E. (2005, January). *A preliminary examination of attitudes toward emotions*. Invited presentation at annual meeting of Social Psychologists in Texas, Huntsville, TX.

51. Harmon-Jones, E. (2005, January). *Thoughts on how to obtain grants*. Invited presentation at Society for Personality and Social Psychology Careers Pre-Conference, New Orleans, LA.
52. Harmon-Jones, E. (2005, January). *Anger, approach motivation, and asymmetrical frontal cortical activity*. Invited presentation at Society of Personality and Social Psychology Social Cognitive Neuroscience Pre-conference, New Orleans, LA.
53. Harmon-Jones, E. (2005, January). *Developments in cognitive dissonance theory: The influence of Jack Brehm*. Invited presentation at Society for Personality and Social Psychology Conference, New Orleans, LA.
54. Harmon-Jones, E. (2005, March). *The Emotive Functions of Asymmetrical Frontal Cortical Activity*. Invited colloquium at Baylor University Dept of Psychology & Neuroscience.
55. Harmon-Jones, E. (2005, May). *On the Emotive Functions of Asymmetrical Frontal Cortical Activity*. Invited presented at Social-Cognitive-Affective Neuroscience Conference at Princeton University.
56. Harmon-Jones, E. (2005, September). *Toward an understanding of different neural circuits involved in anger*. Invited presentation at annual meeting of Society for Psychophysiological Research, Lisbon, Portugal.
57. Harmon-Jones, E., (2005, October). *Discussion of Symposium entitled Motivational Processes: Effects on Emotional, Physiological, and Health Outcomes*. Invited presentation at Society for Experimental Social Psychology. San Diego, CA.
58. Harmon-Jones, E. (2005, November). *On understanding the emotive functions of asymmetrical frontal cortical activity*. Colloquium at Dept of Psychology, Rice University.
59. Harmon-Jones, E. (2005, November). *Bipolar disorder and behavioral approach system dysregulation*. Colloquium presented to Clinical Psychology Area at Texas A&M University.
60. Harmon-Jones, E. (2004, January). *The emotive function of asymmetrical frontal cortical activity and its implications for aggression, emotions, and psychopathology*. Invited colloquium at Iowa State University.
61. Harmon-Jones, E. (2004, February). *The emotive function of asymmetrical frontal cortical activity*. Invited colloquium at Texas A&M University.
62. Harmon-Jones, E. (2004, March). *The emotive function of asymmetrical frontal cortical activity*. Invited colloquium at Duke University.
63. Harmon-Jones, E. (2004, April). *The emotive function of asymmetrical frontal cortical activity*. Invited colloquium at Penn State University.
64. Harmon-Jones, E. (2004, May). *Recent developments in cognitive dissonance theory: An action-based model*. Invited presentation at annual meeting of Social Psychologists Around the Midwest, Lawrence, KS.
65. Harmon-Jones, E., (2004, May). *Asymmetrical frontal cortical activity, emotion, and motivation*. Invited talk at annual meeting of American Psychological Society, Chicago, IL.
66. Amodio, D. M., Devine, P. G., & Harmon-Jones, E. (2004, October). *The role of conflict-detection in stereotype control: Implications for individual differences in regulatory ability*. Paper presented at the annual meeting of the Society of Experimental Social Psychology, Fort Worth, TX.

67. Harmon-Jones, E. (2004, July). *An action-based model of cognitive dissonance*. Invited presentation at Conference on Integrative Competence, Osnabruck University, Osnabruck, Germany.
68. Harmon-Jones, E., (2004, October). *The action-based model of cognitive dissonance and its links to self-regulation and affective and cognitive neuroscience*. Invited presentation at annual meeting of Society for Experimental Social Psychology, Fort Worth, TX.
69. Harmon-Jones, E., (2004, October). *Using social psychological methods to induce anger with pictures: Implications for EEG asymmetry and startle eyeblink research*. Invited presentation at annual meeting of Society for Psychophysiological Research, Santa Fe, NM.
70. Harmon-Jones, E., (2004, October). *Left frontal cortical activity, decisional commitment, and attitude change*. Invited presentation at annual meeting of Society for Psychophysiological Research, Santa Fe, NM.
71. Harmon-Jones, E., (2004, November). *A cortico-centred model of approach- and withdrawal-related emotion*. Invited presentation at conference, Mapping the Evolution of the Social-Emotional Brain: The Triple Balance Hypothesis, Utrecht University, Utrecht, The Netherlands.
72. Harmon-Jones, E. (2003, January). *Anger, Approach Motivation, and Asymmetrical Frontal Cortical Activity*. Invited colloquium at Ohio State University.
73. Harmon-Jones, E. (2003, January). *The Action-Based Model of Dissonance*. Invited colloquium at Ohio State University.
74. Harmon-Jones, E. (2003, November). *Anger and approach motivation*. Invited colloquium at University of Texas – El Paso.
75. Harmon-Jones, E. (2002, February). *Insights gleaned from research on anger and asymmetrical frontal cortical activity*. Invited presentation at annual meeting of Society for Personality and Social Psychology, Savannah, Georgia.
76. Harmon-Jones, E. (2002, October). *Clarifying the Emotive Functions of Asymmetrical Frontal Cortical Activity Using Anger*. Invited presentation at annual meeting of Society for Psychophysiological Research, Washington, D. C.
77. Harmon-Jones, E. (2001, February). *The motivation underlying dissonance reduction: Justification of wrongdoing or facilitation of effective action?* Invited presentation at annual Attitudes Preconference at meeting of the Society for Personality and Social Psychology, San Antonio, Texas.
78. Harmon-Jones, E. (2001, June). *On the emotive functions of asymmetrical frontal cortical activity: The case of anger*. Invited presentation at annual meeting of the American Psychological Society, Toronto, Canada.
79. Harmon-Jones, E. (2001, August). *Whatever happened to cognitive dissonance theory?* Invited presentation at annual meeting of the American Psychological Association, San Francisco, California.
80. Amodio, D. M., Harmon-Jones, E., & Devine, P. G. (2001, October). *Automatic and controlled emotional race bias*. Invited presentation at annual meeting of Society for Psychophysiological Research, Montreal, Canada.
81. Harmon-Jones, E. (2001, October). *Psychophysiological explorations into social perceptions, attitudes, and judgments*. Introductory remarks for symposium at annual meeting of Society for Psychophysiological Research, Montreal, Canada.

82. Coan, J. A., Allen, J. J. B., & Harmon-Jones, E. (2000, February). *Approach vs. withdraw tendencies and voluntary facial expressions*. Invited presentation at annual meeting of Society for Personality and Social Psychology, Nashville, Tennessee.
83. Harmon-Jones, E. (2000, February). *The effect of mindset on prefrontal cortical activity and cognitive dissonance reduction*. Invited presentation at annual meeting of Society for Personality and Social Psychology, Nashville, Tennessee.
84. Harmon-Jones, E. (2000, April). *Toward an understanding of the motivation underlying cognitive dissonance reduction*. Invited presentation at Northwestern University, Department of Psychology.
85. Harmon-Jones, E., Amodio, D., & Devine, P. G., (2000, September). *Examining the mechanisms underlying self-report measures, with an emphasis on their cognitive, emotional, motivational, and biological substrates*. Invited presentation at Fetzer Institute, Kalamazoo, Michigan.
86. Harmon-Jones, E. (2000, October). *Relationship between anger and asymmetrical frontal cortical activity*. Invited presentation at annual meeting of Society for Psychophysiological Research, San Diego, California.
87. Harmon-Jones, E. (1999, April). *The role of the anterior cortical regions in approach and withdrawal processes*. Invited presentation at University of Wisconsin – Madison, Department of Communication Arts.
88. Harmon-Jones, E. (1997, February). *Is feeling personally responsible for the production of aversive consequences necessary to create dissonance?* Invited presentation at conference, Cognitive Dissonance Theory 40 Years Later: A Revival with Revisions and Controversies, Arlington, Texas.
89. Harmon-Jones, E. (1997, June). *An action-based model of cognitive dissonance*. Invited presentation at Nags Head International Conference on Emotion and Motivation, Boca Raton, Florida.
90. Harmon-Jones, E. (1997, October). *Is feeling personally responsible for the production of aversive consequences necessary to create dissonance?* Invited presentation at annual meeting of Society for Experimental Social Psychology, Toronto, Canada.
91. Harmon-Jones, E. (1996, March). *The psychological functions of self-esteem and faith in the cultural worldview: A terror management theory analysis*. Invited presentation at colloquium series, Texas A & M University -- Corpus Christi.
92. Boldizar, J. P., Jones, E. A., & Khatri, P. (1991). *Social cognitions of victims of peer aggression: Perceptions of control and causality*. Paper presented at Society for Research in Child Development, Seattle, WA.
93. Boldizar, J. P., Khatri, P., & Jones, E. A. (1991). *Parents' disciplinary strategies, children's outcome cognitions, and aggression*. Paper presented at Society for Research in Child Development, Seattle, WA.
94. Jones, E. A., & Boldizar, J. P. (1990). *Relationship between learned helplessness/self-efficacy and being a victim of peer aggression*. Paper presented at Southeastern Undergraduate Research Conference, Jacksonville, AL.

## Professional Activities

---

### *Affiliations*

-- Association for Psychological Science

- Cognitive Neuroscience Society
- Society for Personality and Social Psychology
- Society for Psychophysiological Research
- Society for Experimental Social Psychology
- Society for the Study of Motivation

#### *Editorships*

- Co-editor of Special Section on Social Neuroscience at *Journal of Personality and Social Psychology: Attitudes and Social Cognition* (2003)
- Associate Editor – *Journal of Personality and Social Psychology: Personality Processes and Individual Differences* (2003 to 2005)
- Associate Editor – *Emotion* (2010 to present)

#### *Editorial Boards*

- Basic and Applied Social Psychology (1999 to present)
- Journal of Personality and Social Psychology: Personality Processes and Individual Differences (2001 to present)
- Motivation and Emotion (2008 to present)
- Personality and Social Psychology Bulletin (2005 to 2009)
- Frontiers in Human Neuroscience (2008 to present)
- Frontiers in Perception Science (2010 to present)
- Psychological Science (2009 to present)
- Cognition and Emotion (2009 to present)
- Social Psychology Compass (2009 to present)
- Personality and Social Psychology Review (2010 to present)
- Journal of Personality and Social Psychology: Attitudes and Social Cognition (2002 to 2003)
- Social Cognition (2002 to 2006)

#### *Grant Panels*

- NSF Social Psychology Panel – 2003 to 2006

#### *Ad-Hoc Reviewing*

#### *Conferences*

- 1996 Southwestern Psychological Association Convention Program Submissions
- 1997 Society for Psychophysiological Research Convention Program Submissions
- 2000 Society for Personality and Social Psychology Conference Program Submissions
- 2000 Society for Psychophysiological Research Convention Program Submissions
- 2002 American Psychological Association Division 8 Convention Program Submissions
- 2006 Society for Psychophysiological Research Convention Program Submissions

#### *Grants*

- National Science Foundation (2000, 2001, 2002, 2006, 2007, 2008, 2009)
- National Institute of Mental Health (2002, 2006, 2007, 2008)
- Fetzer Institute (1998)

*Journals*

Journal of Personality and Social Psychology, Psychophysiology, Personality and Social Psychology Bulletin, Biological Psychology, Personality and Social Psychology Review, Neuroimage, Basic and Applied Social Psychology, Psychological Bulletin, European Journal of Social Psychology, Emotion, Journal of Experimental Social Psychology, Cognition and Emotion, Journal of Abnormal Psychology, Motivation and Emotion, British Journal of Clinical Psychology, Psychological Science, Infant Mental Health Journal, Theory and Psychology, Personality and Individual Differences, Sex Roles, Journal of Applied Social Psychology, Psychiatry Research, Science, Biological Psychiatry, International Journal of Psychophysiology, Social Cognition, Brain Research, Psychoneuroendocrinology, Psychological Review, Quarterly Journal of Experimental Psychology

*Books*

-- Allyn & Bacon Publishing; Harcourt Brace College Publishers; Prentice-Hall, Inc.; American Psychological Association; Oxford Press

*Service for Scientific Societies*

- 1996 Southwestern Psychological Association Convention Session Chair
- 1997 Society for Psychophysiological Research Convention Program Committee
- 1997-2004 Student Enhancement and Retention Committee of the Society for Psychophysiological Research
- 1997 Organizer for APA-sponsored Cognitive Dissonance Theory Conference
- 2000 Society for Psychophysiological Research Convention Program Committee
- 2001 Society for Psychophysiological Research Convention Symposium Organizer
- 2002 Society for Personality and Social Psychology Convention Symposium Organizer
- 2003 Taught 2-week social neuroscience course at Summer Institute for Social Psychology, by Society for Personality and Social Psychology and National Science Foundation
- 2004 Hosted graduate student luncheon on social neuroscience at Society for Personality and Social Psychology Conference
- 2005 Hosted graduate student luncheon on post-doc opportunities at Society for Personality and Social Psychology Conference
- 2005 Hosted dinner at Southwestern Psychological Association meeting for students to meet research professors
- 2006 Hosted graduate student luncheon on post-doc opportunities at Society for Personality and Social Psychology Conference
- 2006 Society for Psychophysiological Research Convention Program Committee
- 2008 Society for the Study of Motivation, Organized Invited Symposium on Neuroscience Perspectives on Motivation
- 2009 Society for the Study of Motivation, Convention Program Committee
- 2009 Society for Psychophysiological Research Convention, hosted luncheon on EEG asymmetry
- 2009 to present: Society for the Study of Motivation Council Representative
- 2010 Hosted graduate student luncheon on getting an R1 job at Society for Personality and Social Psychology Conference

***Other Professional Service***

External reviewer for cases of tenure and/or promotion:

University of Denver (2006), University of Colorado – Boulder (2004), University of Missouri (2007), Stony Brook University (2009), University of Toronto (2010)

External dissertation committee member:

Nellie Lucas, 2006, University of Melbourne, Australia  
 Peter Putman, 2006, Utrecht University, The Netherlands  
 Aydin Karacanta, 2007, Macquarie University, Australia  
 Meredith McHugh, 2010, Griffith University, Australia

**University and Departmental Service** 

---

At University of Wisconsin -- Madison

- Member of Search Committee for Professor in Social Psychology (1997-98; 2000-01; 01-02)
- Chair of Search Committee for Professor in Social Psychology (2002-03)
- Psychology Department Elections Committee (1998-99)
- Psychology Department Space Committee (1998-99)
- Psychology Department Web Committee (1999-2004)
- Psychology Department Research and Equipment Committee (1999-2004)
- Committee to Evaluate Psychology Staff Merit (1999-2000)
- Participated in site-visit of UW by the NIH Office of Human Research Protection (2000)
- Member of Search Committee for Professor in Health and Behavior Psychology (2000-01)
- Undergraduate Bookstore Academic Excellence Awards Committee for Social Studies (00-01)
- Chair of Social and Personality Area Group (2000-01)
- Member of Letters and Science Human Subjects Committee (2001-03)
- Psychology Department Graduate Studies Committee (2001-03)
- Head of search committee to hire electronic shops supervisor (2003-04)
- Wrote 2 successful university-wide proposals to fund visits by prominent scholars (2000-01)

At Texas A&M University

- Search committee for Head of Sociology (2005)
- Chaired Social Psychology Professor Search Committee (Fall, 2004; Fall, 2005; Fall, 2008; Fall, 2009)
- Advisory Committee Member in Psychology (2004/2005 and 2005/2006)
- Social Psychology Area Coordinator (2004/2005 and 2005/2006)
- Organized recruitment efforts for graduate students in social (2005, 2006, 2008)
- Coordinator of Introductory Psychology Human Subject Pool (2005 to present)
- Promotion & Tenure Review Committee
- Faculty of Neuroscience Speaker Series Committee Member (2007 to present)
- Search committee for Quantitative Professor in Psychology (Fall, 2006)
- University Human Subjects Internal Review Board (2007 – 2009)
- Discussant at Office of Proposal Development seminar on obtaining NSF funding (2007)
- Discussant at Office of Proposal Development seminar on obtaining NSF funding (2008)
