Curriculum Vitae

Eddie Harmon-Jones

Personal Information

The University of New South Wales
 School of Psychology
 Matthews Bldg., Room 1105
 Sydney, NSW, Australia

Phone: (61-2) 9385-3520
 Email: eddiehj@gmail.com

<http://www.socialemotiveneuroscience.org/>

Education

- B.S. University of Alabama at Birmingham (1990)
 Major: Psychology
- M.A. University of Kansas (1992)
 Major: Social Psychology
- Ph.D. University of Arizona (1995)
 Major: Social Psychology; Minor: Psychophysiology

Employment

- 06/95 - 08/96: Postdoctoral Fellow at University of Texas Medical Branch at Galveston
- 09/96 – 05/97: Visiting Assistant Professor at University of Texas – Arlington
- 09/97 – 05/02: Assistant Professor at University of Wisconsin -- Madison
- 06/02 – 08/04: Associate Professor with tenure at University of Wisconsin – Madison
- 08/04 – 08/07: Associate Professor with tenure at Texas A&M University
- 09/07 – 12/11: Professor of Psychology at Texas A&M University
- 09/08 – 12/11: Faculty of Neuroscience at Texas A&M University
- 06/11 – 12/11: Graduate Faculty of the Health Science Center at Texas A&M University
- 01/12 to present: Professor of Psychology, University of New South Wales

Honors

- Graduated *Magna Cum Laude*, 1990
- Graduated from University of Alabama at Birmingham with Honors in Psychology, 1990
- John Ost Award for Most Outstanding Undergraduate Research at UAB, 1990
- Society for Psychophysiological Research Distinguished Award for an Early Career Contribution to Psychophysiology, 2002
- Frank J. McGuigan Young Investigator Prize, Honorable Mention, 2002
- Vilas Associate Professor of Psychology, UW-Madison, 2002-2004
- Hilgard Visiting Professor of Psychology, Stanford University (2007)
- Fellow, Association for Psychological Science (2008—present)
- Fellow, Society for Experimental Social Psychology (2009 -- present)
- Fellow, Society for Personality and Social Psychology (2010 – present)
- Top Reviewer, *Biological Psychology* (2009)

- Listed in the Institute for Scientific Information's *Essential Science Indicators* representing the top 1% of cited scientists in Psychiatry/Psychology
- 2009 Distinguished Alumni Award, University of Alabama at Birmingham, Department of Psychology
- 2010, Listed as 35th most impactful social psychologist (career-stage adjusted), by Nosek et al. (2010, *Personality and Social Psychology Bulletin*, 36, 1283–1300)
- 2012, Career Trajectory Award from Society of Experimental Social Psychology

Grant Support

- Science Directorate of American Psychological Association (host conference on cognitive dissonance theory), 1997, \$9,841
- Wisconsin Alumni Research Foundation (P. I.), 1998, \$10,637
- Wisconsin Alumni Research Foundation (P. I.), 1999, \$10,747
- Wisconsin Alumni Research Foundation (P. I.), 2000, \$11,000 (declined because support overlapped with NSF support)
- Wisconsin Alumni Research Foundation (P. I.), 2001, \$12,000
- B/START Grant from National Institute of Mental Health (P. I.; Effect of coping potential on frontal cortical activity), 1999, \$35,921
- National Science Foundation (P. I.; Action-Based Model of Cognitive Dissonance), 06/2000 to 06/2003, \$304,703
- Fetzer Institute (P. I.; Examining the mechanisms underlying self-report measures, with an emphasis on their cognitive, emotional, motivational, and biological substrates), 09/2000 to 08/2001, \$26,922
- National Institute of Mental Health (Co PI; BAS and Bipolar Spectrum: Biopsychosocial Integration), 2002-2007, \$1,528,047
- National Institute of Health Loan Repayment Program (PI; Approach Motivation System Dysregulation in Bipolar Disorder); 2003 – 2006, \$10,000
- National Science Foundation (P.I.; Anger & Approach Motivation), 2003-2006, \$317,000
- National Science Foundation (P.I.; Considering Approach Motivational Intensity within Positive Affect), 07/2007 – 06/2011, \$393,000
- National Institute of Mental Health (Co-I; BAS and Bipolar Disorder: Prospective Biobehavioral High Risk Design), 2007-2012, \$2,437,500
- National Science Foundation (P.I.; Approach Motivation, Anger, & Positive Affects), 09/2009 – 08/2012, \$466,225
- National Science Foundation (co-P.I.; Distinguishing impulse strength from self-control strength as causes of self-control failure), 09/2009 – 08/2012, \$375,000
- Australian Research Council (P.I.; Can Some Positive Emotions Increase Anger?); 2015-2017, \$266,300

Books

1. Harmon-Jones, E., & Inzlicht, M. (2016). *Social Neuroscience: Biological Approaches to Social Psychology*. New York, NY: Psychology Press.
2. Forgas, J. P., & Harmon-Jones, E. (2014). *Motivation and its regulation: The control within*. New York, NY: Psychology Press.

Poster presented at meeting of Society for Personality and Social Psychology, Los Angeles, CA (Amodio was awarded a graduate student poster award for this).
51. Brodish, A., Devine, P., Harmon-Jones, E., Vance, S., Buswell, B., Barnowsky, K. & McIntosh, D. (2003). *Prejudice level differences in empathic affect depend on target race*. Poster presented at meeting of Society for Personality and Social Psychology, Los Angeles, CA.
52. Amodio, D. M., Devine, P. G., & Harmon-Jones, E. (2003). *Neural signals for the detection of race bias: Implications for regulatory ability*. Poster presented at meeting of Society for Psychophysiological Research, Chicago, IL.
53. Zinner, L. R., Harmon-Jones, E., Devine, P. G., & Amodio, D. M. (2003). *Differential conditioning of fear to ingroup and outgroup faces*. Poster presented at meeting of Society for Psychophysiological Research, Chicago, IL.
54. Amodio, D. M., Brazy, P. C., Shah, J. Y., & Harmon-Jones, E. (2002). *Implicit prevention and promotion goal orientation and asymmetrical frontal EEG activity*. Poster presented at meeting of Society for Psychophysiological Research, Washington, D. C.
55. Harmon-Jones, E., Sigelman, J., & Harmon-Jones, C. (2002). *Asymmetrical frontal brain activity while reflecting on ideal and ought goals*. Poster presented at meeting of Society for Psychophysiological Research, Washington, D. C.

56. Amodio, D. M., Devine, P. G., & Harmon-Jones, E. (2001). *Individual differences in prejudice activation and control: Their cognitive, affective, and physiological components*. Poster presented at meeting of Society for Personality and Social Psychology, San Antonio, Texas.
57. Harmon-Jones, E., Vaughn, K., Mohr, S., Sigelman, J., & Harmon-Jones, C. (2001). *Evidence that sympathy reduces relative left frontal activity associated with anger*. Poster presented at meeting of Society for Psychophysiological Research, Montreal, Canada.
58. Urosevic, S., Abramson, L.Y., Harmon-Jones, E., Donovan, P., Van Voorhis, L., Alloy, L.B., & Hogan, M.E. (2001). *Investigating the relationship between bipolar disorder and behavioral activation system*. Poster presented at meeting of Society for Research in Psychopathology, Madison, WI.
59. Amodio, D. M., Harmon-Jones, E., Devine, P. G., & Graf, N. L. (2000). *Physiological components of prejudice activation and control: Individual differences in attention- and emotion-modulated startle eyeblink responses*. Poster presented at meeting of Society for Psychophysiological Research, San Diego, California.
60. Harmon-Jones, E., & Gerdjikov, T. (2000). *Test of the action-based model of cognitive dissonance: Evidence that commitment to behavior increases relative left frontal cortical activity*. Poster presented at meeting of Society for Psychophysiological Research, San Diego, California.
61. Coan, J. A., Allen, J. J. B., & Harmon-Jones, E. (1999). *Approach/withdraw motivational states, emotion, and facial feedback*. Poster presented at meeting of Society for Psychophysiological Research, Granada, Spain.
62. Harmon-Jones, E., Hubbell, C., & Peterson, H. (1999). *Implemental mindset, prefrontal EEG asymmetry, and cognitive dissonance reduction*. Poster presented at meeting of Society for Psychophysiological Research, Granada, Spain.
63. Harmon-Jones, E., Peterson, H., & Vaughn, K. (1999). *Prefrontal resting asymmetry predicts empathic emotional responses*. Poster presented at meeting of Society for Psychophysiological Research, Granada, Spain.
64. Coan, J. A., Allen, J. J. B., & Harmon-Jones, E. (1998). *Manipulating frontal brain activity with facial muscle movement*. Poster presented at meeting of Society for Psychophysiological Research, Denver, Colorado.
65. Dugosh, J. W., Harmon-Jones, E., Leggett, K. L., & West, T. L. (1997, April). *Need for cognitive closure relates to dissonance-produced attitude change*. Poster presented at meeting of Southwestern Psychological Association, Fort Worth, TX.
66. Leggett, K. L., Harmon-Jones, E., Dugosh, J. W. (1997, April). *Stimulus attractiveness and individual differences on the mere exposure effect*. Poster presented at meeting of Southwestern Psychological Association, Fort Worth, TX.
67. Allen, J. J. B., Harmon-Jones, E., & Cavender, J. H. (1997). *Manipulation of frontal EEG asymmetry alters self-reported affect and facial EMG*. Poster presented at meeting of Society for Psychophysiological Research, Cape Cod, MA.
68. Harmon-Jones, E., & Allen, J. J. B. (1997). *Voluntary activation of facial muscles alters the frontal asymmetry in EEG activity*. Poster presented at meeting of Society for Psychophysiological Research, Cape Cod, MA.
69. Harmon-Jones, E. (1996, April). *Probing the mere exposure effect with psychophysiological indices of affect*. Poster presented at Southwestern Psychological Association, Houston, TX.

70. Harmon-Jones, E., & Allen, J. J. B. (1996, June). *Behavioral activation sensitivity and resting frontal EEG asymmetry*. Poster presented at meeting of American Psychological Society, San Francisco, CA.
71. Harmon-Jones, E., & Allen, J. J. B. (1996, October). *Anger and prefrontal brain activity: EEG asymmetry consistent with approach motivation despite negative affective valence*. Poster presented at meeting of Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
72. Harmon-Jones, E., & Allen, J. J. B. (1996, October). *Anterior EEG asymmetry and facial EMG as evidence that affect is involved in the mere exposure effect*. Poster presented at meeting of Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
73. Harmon-Jones, E., Brehm, J. W., Greenberg, J., Simon, L., & Nelson, D. E. (1995, September). *Evidence that the production of aversive consequences is not necessary to create cognitive dissonance*. Poster presented at meeting of Society for Experimental Social Psychology, Washington, D.C.

Oral Presentations

1. Harmon-Jones, E., & Angus, D. (2015, May). *Anger Increases Neural Responses to Reward Signals: Insights from Theories of Approach Motivation*. Symposium presentation at annual meeting of Society for the Study of Motivation, New York, NY, USA.
2. Harmon-Jones, E. (2015, April). *Approach motivation: Investigations of its neural correlates, embodied manifestations, and influences on cognitive scope*. School colloquium, Yale National University Singapore.
3. Harmon-Jones, E. (2015, April). *Recent advances in cognitive dissonance theory with a focus on the action-based model*. School colloquium designed for undergraduates, Yale National University Singapore.
4. Harmon-Jones, E., Harmon-Jones, C., & Bastian, B. (2015, April). *Trait approach and avoidance motivation predict affective forecasting "errors"*. Presentation at Society of Australasian Social Psychology, Newcastle, NSW, Australia.
5. Harmon-Jones, E. (2014, July). *Approach motivation: Investigations of its neural correlates, embodied manifestations, and influences on cognitive scope*. Keynote address at summer school at Universität Salzburg, Salzburg, Austria.
6. Harmon-Jones, E. (2014, July). *Desire: Investigations of its neural correlates, embodied manifestations, and influences on cognitive scope*. Presentation European Association of Social Psychology preconference on desire. Amsterdam, The Netherlands.
7. Harmon-Jones, E. (2014, July). *Approach motivation: Investigations of its neural correlates, embodied manifestations, and influences on cognitive scope*. School Colloquium at University of Social Sciences and Humanities, Poland, Warsaw.
8. Harmon-Jones, E., & Harmon-Jones, C. (2014, April). *Measuring emotions: Challenges and solutions*. Presentation at Society of Australasian Social Psychology, Canberra, ACT, Australia.
9. Harmon-Jones, E. (2014, March). *Separating motivational direction from emotional valence: Implications for the neuroscience of emotions and emotion-cognition interactions*. Key

- note speaker at Melbourne Social Neuroscience Symposium, Melbourne University, Melbourne, Australia.
10. Harmon-Jones, E. (2014, February). *Separating motivational direction from emotional valence: Implications for emotion-cognition interactions*. Colloquium at Department of Psychology, Florida State University, Tallahassee, Florida, USA.
 11. Harmon-Jones, E. (2014, February). *Why emotions are important for social psychology*. Symposium presentation at Society of Personality and Social Psychology Conference, Austin, Texas, USA.
 12. Harmon-Jones, E. (2013, September). *Separating motivational direction from emotional valence: Implications for emotion-cognition interactions*. Colloquium at Department of Psychology, University of Otago, Dunedin, New Zealand.
 13. Harmon-Jones, E. (2013, September). *Separating motivational direction from emotional valence: Implications for emotion-cognition interactions*. Colloquium at Department of Psychology, University of Victoria, Wellington, New Zealand.
 14. Harmon-Jones, E., & Gable, P. A. (2013, August). *Anger and attentional myopia*. Symposium presentation at American Psychological Association conference, Honolulu, Hawai'i, USA.
 15. Harmon-Jones, E. (2013, May). *How Social-Affective Neuroscience Contributes to Social-Affective Psychology*. Invited talk at Association for Psychological Science Conference, Washington, DC, USA.
 16. Harmon-Jones, E., & Cheung, L. (2013, April). *Expressing emotions influences attitudes toward emotions*. Presentation at Society of Australasian Social Psychology, Cairns, Queensland, Australia.
 17. Harmon-Jones, E. (2013, March). *An introduction to the Sydney Symposium on Social Psychology, The control within: Motivation and its regulation*. Presentation at Sydney Symposium on Social Psychology, Organized by J. P. Forgas & E. Harmon-Jones, Sydney, NSW, Australia.
 18. Harmon-Jones, E., Harmon-Jones, C., & Price, T. F. (2013, March). *The embodiment of approach motivation*. Presentation at Sydney Symposium on Social Psychology, Organized by J. P. Forgas & E. Harmon-Jones, Sydney, NSW, Australia.
 19. Harmon-Jones, E., Harmon-Jones, C., & Price, T. F. (2013, January). *Reducing approach motivation reduces dissonance reduction: Support for the action-based model*. Symposium presentation at Society of Personality and Social Psychology Conference, New Orleans, LA, USA.
 20. Harmon-Jones, E., & Harmon-Jones, C. (2013, January). *The motivational functions of anticipated emotions*. Presentation at Motivation and Emotion Scientific Symposium. Tuscaloosa, AL, USA.
 21. Harmon-Jones, E., & Peterson, C. K. (2012, November). *Anger and the Emotion-Modulated Startle Eyeblink Reflex*. Presentation at Australasian Society for Psychophysiology 2012, Sydney, NSW, Australia.
 22. Harmon-Jones, E. (2012, September). *Exploring approach-oriented emotional processes in humans with electrophysiological measures and manipulations*. Invited presentation at Brain Sciences University of New South Wales Symposium.
 23. Harmon-Jones, E. (2012, September). *Separating motivational direction from emotional valence: Implications for emotion-cognition interactions*. Invited presentation at 2012

- Brisbane Symposium on Self and Identity, University of Queensland, Brisbane, Queensland, Australia.
24. Harmon-Jones, E. (2012, August). *Separating Motivational Direction from Emotional Valence: Implications for the Neuroscience of Emotions and Emotion-Cognition Interactions*. Colloquium, School of Psychology, La Trobe University, Melbourne, Victoria, Australia.
 25. Harmon-Jones, E. (2012, June). *Examining anger through the lens of motivation*. Invited presentation at European Association of Social Psychology Small Group Meeting on Extreme Emotions, Amsterdam, The Netherlands.
 26. Harmon-Jones, E. (2012, June). *Separating motivational direction from emotional valence: Implications for the neuroscience of emotions and emotion-cognition interactions*. Colloquium, School of Psychology, University of Wurzburg, Wurzburg, Germany.
 27. Harmon-Jones, E., Kelley, N. J., & Hortensius, R. (2012, April). *Using transcranial direct current stimulation to understand the effects of asymmetric frontal cortical activity on angry responses*. Symposium presentation at Society for Australasian Social Psychologists, Adelaide, South Australia, Australia.
 28. Harmon-Jones, E. (2012, March). *Separating motivational direction from emotional valence: Implications for the neuroscience of emotions and emotion-cognition interactions*. Colloquium, School of Psychology, University of Sydney, Sydney, New South Wales, Australia.
 29. Harmon-Jones, E. (2012, February). *Body postural and attitudinal contributions to affective reactions*. Invited presentation, Utrecht University.
 30. Harmon-Jones, E. (2011, November). *On the importance of motivational intensity in understanding the effects of emotions on cognitive breadth*. Keynote speaker at scientific workshop, Social determinants of cognitive control. Université de Provence, France.
 31. Harmon-Jones, E. (2011, November). *An action-based model of cognitive dissonance*. Invited presentation, Meaning Conference, University of Tilberg, The Netherlands.
 32. Harmon-Jones, E. (2011, October). *An action-based model of cognitive dissonance*. Invited colloquium to University of Michigan, Cultural Neuroscience Program.
 33. Harmon-Jones, E. (2011, October). *On the importance of motivational intensity in emotion-cognition interactions*. Invited colloquium to University of Michigan, Social Psychology Program.
 34. Harmon-Jones, E. (2011, September). *Body posture influences appetitive emotional responses: Evidence from subjective experience, cognitive processes, and asymmetric frontal cortical activity*. Invited symposium presentation at Society for Psychophysiological Research, Boston, MA, USA.
 35. Price, T. F., & Harmon-Jones, E. (2011, September). *Posture influences physiological responses to positive stimuli*. Invited symposium presentation at Society for Psychophysiological Research, Boston, MA, USA.
 36. Harmon-Jones, E. (2011, May). *Embodied emotives: The effect of motivational body postures on neural and cognitive responses*. Invited presentation at annual meeting of the Association for Psychological Science, Washington, DC.
 37. Harmon-Jones, E., & Gable, P. A. (2011, May). *The effects of pre-goal vs. post-goal positive affect on attentional narrowing vs. broadening*. Symposium presentation at annual meeting of Society for the Study of Motivation, Washington, DC.

38. Harmon-Jones, E. (2011, April). *Separating motivational direction from emotional valence: Implications for the neuroscience of emotions and emotion-cognition interactions*. Department colloquium, University of New South Wales, Sydney, Australia.
39. Harmon-Jones, E. (2011, January). *Collecting and analyzing biological data*. Society for Personality and Social Psychology Training Committee Pre-Conference, San Antonio, TX.
40. Harmon-Jones, E. (2011, January). *The action-based model of dissonance*. Society for Personality and Social Psychology Attitudes Pre-Conference, San Antonio, TX.
41. Harmon-Jones, E., Harmon-Jones, C., & Amodio, D. M. (2011, January). *Anger as approach: New evidence*. Symposium presentation at annual meeting of Society for Personality and Social Psychology, San Antonio, TX.
42. Harmon-Jones, E. (2011, January). *Attitudes toward emotions*. Presentation at 1st annual meeting of Motivation and Emotion Scientific Society, College Station, TX.
43. Harmon-Jones, E. (2010, November). *On the importance of motivational direction for understanding brain mechanisms of emotion and emotion-cognition interactions*. Keynote speaker, Utrecht University, Symposium on Social Cognition and Neuroscience.
44. Harmon-Jones, E. (2010, November). *Separating affective valence and motivational direction: The case of anger*. Keynote speaker, Kurt Lewin Institute, Utrecht, Netherlands.
45. Harmon-Jones, E. (2010, November). *Separating affective valence and motivational direction: The case of positive affect*. Keynote speaker, Kurt Lewin Institute, Utrecht, Netherlands.
46. Harmon-Jones, E. (2010, November). *On the importance of motivational direction for understanding brain mechanisms of emotion and emotion-cognition interactions*. Department colloquium, University of Florida, Department of Kinesiology.
47. Harmon-Jones, E. (2010, September). *The 2000s: Covering the most recent decade at the SPR 50th annual meeting*. Invited presentation at Society for Psychophysiological Research, Portland, OR.
48. Gable, P.A., & Harmon-Jones, E. (2010, September). *Bi-directional relationship between motivation and attentional breadth*. Symposium presentation at Society for Psychophysiological Research, Portland, OR.
49. Schmeichel, B. J., Harmon-Jones, C., & Harmon-Jones, E. (2010, May). *Exercising self-control increases approach motivation*. In E. Harmon-Jones (Chair), *Emotion-cognition interactions: Implications for attentional processes and self-regulation*. Symposium at the annual meeting of the Association for Psychological Science, Boston, MA.
50. Harmon-Jones, E., Gable, P. A., & Price, T. F. (2010, May). *Effect of positive emotions varying in motivational intensity on attentional narrowing*. In E. Harmon-Jones (Chair), *Emotion-cognition interactions: Implications for attentional processes and self-regulation*. Symposium at the annual meeting of the Association for Psychological Science, Boston, MA.
51. Harmon-Jones, E., & Gable, P. A. (2010, May). *Unpacking emotion-cognition interactions with a focus on motivation*. In M. Quirin (Chair), *Neural dynamics of approach and avoidance processes*. Symposium at the annual meeting of the Society for the Study of Motivation, Boston, MA.
52. Harmon-Jones, E. (2010, April). *On the importance of motivation in emotion-cognition interactions*. Department colloquium Baylor University.

53. Harmon-Jones, E. (2010, April). *Separating affective valence and motivational direction*. Keynote speaker, University of Texas -- Tyler Research Conference.
54. Harmon-Jones, E. (2010, April). *On the importance of motivation in emotion-cognition interactions*. Keynote Speaker, Undergraduate Research Thesis Day, University of Toronto Scarborough.
55. Harmon-Jones, E. (2010, April). *On the importance of motivation in emotion-cognition interactions*. Department colloquium, Stony Brook University.
56. Harmon-Jones, E. (2010, March). *On the importance of motivation in emotion-cognition interactions*. Department colloquium, New York University.
57. Harmon-Jones, E. (2010, January). *Electroencephalographic methods in social and personality psychology*. Symposium presentation at Society for Personality and Social Psychology Conference, Las Vegas, Nevada.
58. Harmon-Jones, E. (2009, November). *Separating Motivational Direction from Emotional Valence: Implications for Asymmetrical Frontal Cortical Activity, Anger, and Positive Emotions*. Invited address accepting 2009 UAB Department of Psychology Distinguished Alumni Award.
59. Harmon-Jones, E. (2009, October). *Recent advances in the study of approach motivation*. Invited speaker, Osnabruck University, Osnabruck, Germany.
60. Gable, P. A., & Harmon-Jones, E. (2009, October). *Multiple measures of approach motivation relating to early and late ERP components to appetitive stimuli*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Berlin, Germany.
61. Harmon-Jones, E. (2009, October). *Asymmetrical frontal cortical activity and motivational direction: Methods and memories*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Berlin, Germany.
62. Harmon-Jones, E., & Peterson, C. K. (2009, October). *Approach motivational processes involved in responses to social rejection*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Berlin, Germany.
63. Harmon-Jones, E. (2009, October). *Emotion, motivation, and the body: Being in a supine body position affects central psychophysiological responses to emotion manipulations*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Berlin, Germany.
64. Harmon-Jones, E. (2009, October). *Negative Emotions and Approach Motivational Processes: Toward an Understanding of the Relationship between Emotional Responses and Psychological Consequences*. Symposium presentation at annual meeting of Society for Experimental Social Psychology, Portland, Maine.
65. Harmon-Jones, E. (2009, October). *Recent developments in the study of asymmetric prefrontal cortical activation and motivation*. Invited Speaker. Social & Affective Neuroscience Society Annual Meeting, New York, NY.
66. Harmon-Jones, E. (2009, September). *The Electroencephalogram: Frequency- & Time-Based Measures*. Invited Speaker, Autumn School 2009, Research in Forensic Populations, Kloster Seeon, Germany.
67. Harmon-Jones, E. (2009, May). *An Action-Based Model Approach to Understanding Cognitive Dissonance Processes*. Symposium presentation at annual meeting of Association for Psychological Science, San Francisco, CA.

68. Harmon-Jones, E. (2009, May). *Psychophysiological Explorations of the Effects of Approach-Motivated Positive Affect on Narrowing of Cognition*. Symposium presentation at annual meeting of Association for Psychological Science, San Francisco, CA.
69. Harmon-Jones, E. (2009, April). *Separating Motivational Direction from Emotional Valence: Implications for Asymmetrical Frontal Cortical Activity, Anger, and Positive Emotions*. Colloquium at Department of Psychology, University of Minnesota.
70. Harmon-Jones, E. (2009, April). *Discussant for Symposium, Is anger in infants and young children an approach emotion?* Chairs: Michael Lewis, Margaret W. Sullivan. Biennial Meeting of Society for Research in Child Development, Denver, CO.
71. Harmon-Jones, E., Amodio, D. M., & Harmon-Jones, C. (2009, March). *An action-based model of cognitive dissonance: On cognitive conflict and attitude change*. Invited Speaker, 12th Annual Sydney Symposium of Social Psychology: Attitudes and Attitude Change, Sydney, New South Wales, Australia.
72. Harmon-Jones, E. (2009, February). *Neural Mechanisms of Goal Conflict, Approach, and Withdrawal: From the Action-Based Model of Dissonance to Approach-Motivated Narrowing of Attention*. Symposium presentation at Society for Personality and Social Psychology Conference, Tampa, Florida.
73. Gable, P. A., & Harmon-Jones, E. (2009, February). *Diverse Attentional Consequences of Positive Affects With High or Low Approach Motivation*. Symposium presentation at Society for Personality and Social Psychology Conference, Tampa, Florida.
74. Harmon-Jones, E. (2009, February). *Why should emotion scientists study the brain/body?* Invited symposium presentation at Emotion Pre-conference for Society for Personality and Social Psychology Conference, Tampa, Florida.
75. Harmon-Jones, E. (2008, December). *The role of emotion and motivation in aggressive behavior*. Invited speaker at workshop entitled, Justice and conflict: Brain and behavior mechanisms. Université de Genève, Geneva, Switzerland.
76. Harmon-Jones, E. (2008, December). *The role of approach motivational intensity within positive affect*. Invited talk to Swiss Center for Affective Sciences, Université de Genève, Geneva, Switzerland.
77. Harmon-Jones, E., Abramson, L. Y., Nusslock, R., Sigelman, J. D., Urosevic, S., Turonie, L., Alloy, L. B., & Fearn, M. (2008, November). *Effect of Bipolar Disorder on Left Frontal Cortical Responses to Goals Differing in Valence and Task Difficulty*. Symposium Presentation at Association for Behavioral and Cognitive Therapies, Orlando, FL.
78. Harmon-Jones, E. (2008, October). *Experimentation, dissonance, and attitudes: Jud Mills' contributions*. Symposium presentation at annual meeting of Society of Experimental Social Psychology, Sacramento, CA.
79. Harmon-Jones, E. (2008, October). *Unpacking the emotional functions of the pre-frontal cortex*. Symposium presentation at annual meeting of Society of Experimental Social Psychology, Sacramento, CA.
80. Gable, P. A., & Harmon-Jones, E. (2008, October). *Toward an understanding of the neural circuitry underlying the effect of approach motivated positive affect on local attentional bias*. Symposium presentation at annual meeting of Society for Psychophysiological Research, Austin, TX.

81. Harmon-Jones, E. (2008, July). *Asymmetrical frontal cortical activity and approach-withdrawal motivation regulation*. Symposium Presentation at International Congress of Psychology, Berlin, Germany.
82. Harmon-Jones, E., Abramson, L. Y., Nusslock, R., Sigelman, J. D., Urosevic, S., Turonie, L., Alloy, L. B., & Fearn, M. (2008, May). *Effect of Bipolar Disorder on Left Frontal Cortical Responses to Goals Differing in Valence and Task Difficulty*. Symposium Presentation at Association for Psychological Science Conference, Chicago, IL.
83. Bender, R. E., Wagner, C. A., Alloy, L. B., Whitehouse, W. G., Abramson, L. Y., Hogan, M. E., Sylvia, L. G., & Harmon-Jones, E. (2008, May). *Bipolar Spectrum - Substance Use Comorbidity: Behavioral Approach System Sensitivity and Impulsiveness as Shared Vulnerabilities*. Symposium Presentation at Association for Psychological Science Conference, Chicago, IL.
84. Harmon-Jones, E. (2008, May). *Toward an understanding of the emotive functions of asymmetrical frontal cortical activity*. Invited Symposium Presentation at Society for the Study of Motivation Conference, Chicago, IL.
85. Harmon-Jones, E. (2008, May). *Approach Motivational Intensity Alters the Effects of Positive Affect on Cognition and Attention*. Symposium Presentation at Society for the Study of Motivation Conference, Chicago, IL.
86. Harmon-Jones, E. (2008, April). *Separating affective valence from motivational direction*. Invited colloquium, Department of Psychology, Temple University.
87. Harmon-Jones, E. (2008, April). *Toward an understanding of the emotive functions of asymmetrical frontal cortical activity*. Invited colloquium Child Study Center, Penn State University.
88. Harmon-Jones, E. (2008, April). *Considering approach motivational intensity within positive affect*. Invited colloquium Department of Psychology, Penn State University.
89. Harmon-Jones, E. (2008, April). *Separating motivational direction from affective valence*. Invited colloquium Department of Psychology, New York University.
90. Harmon-Jones, E. (2008, March). *Social psychological methods of emotion induction*. Invited presentation at Spring School 2008, Biopsychology of Emotions, Kloster Seeon, Bavaria, Germany.
91. Harmon-Jones, E. (2008, February). *Temporal and frequency measures derived from the electroencephalogram*. Invited presentation at Society for Personality and Social Psychology Training Committee Pre-Conference: A primer and sampler of neuroscience research in social and personality psychology, Albuquerque, New Mexico.
92. Harmon-Jones, E. (2007, October). *Considering motivational direction within affective valence*. Invited colloquium Stanford University, Department of Psychology.
93. Harmon-Jones, E., Abramson, L. Y., Nusslock, R., Sigelman, J. D., Urosevic, S., Turonie, L., Fearn, M. (2007, October). *Effect of bipolar disorder on relative left frontal cortical responses to goals differing in valence and task difficulty*. Symposium talk at annual meeting of Society for Psychophysiological Research, Savanna, GA.
94. Harmon-Jones, E. (2007, June 5-8). *Asymmetrical frontal brain activations and anger*. Invited address at Dutch Endo-Neuro-Psycho Meeting, The Netherlands.
95. Harmon-Jones, E. (2007, March). *The emotive functions of asymmetrical cortical activity*. Invited colloquium, University of Houston.
96. Harmon-Jones, E. (2007, March). *Empirical explorations into the neuroscience of human emotions*. Invited colloquium Texas A&M University, Department of Economics.

97. Harmon-Jones, E. (2007, February). *Considering the dimension of motivational direction in emotions*. Invited colloquium, Rice University.
98. Harmon-Jones, E. (2007, January). *Is the PFC involved only in the inhibition of negative affect?* Invited presentation at annual Emotions Pre-Conference at Society for Personality and Social Psychology Conference, Memphis, Tennessee.
99. Harmon-Jones, E. (2007, January). *An action-based model of cognitive dissonance*. Invited presentation at Society for Personality and Social Psychology Conference, Memphis, Tennessee.
100. Harmon-Jones, E. (2006, December). *Asymmetrical frontal cortical activity, approach motivation, and anger*, Invited colloquium, University of Toronto.
101. Harmon-Jones, E. (2006, October). *Integrating cognitive dissonance theory with neurocognitive models of control*. Invited presentation at annual meeting of Society for Psychophysiological Research, Vancouver, British Columbia, Canada.
102. Harmon-Jones, E. (2006, September). *Anger, Approach Motivation, and Asymmetrical Prefrontal Cortical Activations*. Invited colloquium at University of Texas – Austin.
103. Harmon-Jones, E. (2006, August). *Considering the dimension of motivational direction in emotions*. Invited talk at American Psychological Association. New Orleans, LA.
104. Harmon-Jones, E. (2006, July). *Varieties of anger and their relationships to asymmetrical frontal cortical activity*. Invited presentation at International Society for Research on Aggression. Minneapolis, MN.
105. Harmon-Jones, E. (2006, May). *Discussion of Symposium entitled Regulating the Expression and Experience of Prejudice: Behavioral and Neuroscientific Approaches*. Invited presentation at Association for Psychological Science. New York: NY.
106. Harmon-Jones, E. (2006, April). *Considering motivational direction within emotion*. Colloquium presented to Psychology Department at University of Houston.
107. Harmon-Jones, E. (2005, January). *A preliminary examination of attitudes toward emotions*. Invited presentation at annual meeting of Social Psychologists in Texas, Huntsville, TX.
108. Harmon-Jones, E. (2005, January). *Thoughts on how to obtain grants*. Invited presentation at Society for Personality and Social Psychology Careers Pre-Conference, New Orleans, LA.
109. Harmon-Jones, E. (2005, January). *Anger, approach motivation, and asymmetrical frontal cortical activity*. Invited presentation at Society of Personality and Social Psychology Social Cognitive Neuroscience Pre-conference, New Orleans, LA.
110. Harmon-Jones, E. (2005, January). *Developments in cognitive dissonance theory: The influence of Jack Brehm*. Invited presentation at Society for Personality and Social Psychology Conference, New Orleans, LA.
111. Harmon-Jones, E. (2005, March). *The Emotive Functions of Asymmetrical Frontal Cortical Activity*. Invited colloquium at Baylor University Department of Psychology & Neuroscience.
112. Harmon-Jones, E. (2005, May). *On the Emotive Functions of Asymmetrical Frontal Cortical Activity*. Invited presented at Social-Cognitive-Affective Neuroscience Conference at Princeton University.
113. Harmon-Jones, E. (2005, September). *Toward an understanding of different neural circuits involved in anger*. Invited presentation at annual meeting of Society for Psychophysiological Research, Lisbon, Portugal.

114. Harmon-Jones, E., (2005, October). *Discussion of Symposium entitled Motivational Processes: Effects on Emotional, Physiological, and Health Outcomes*. Invited presentation at Society for Experimental Social Psychology. San Diego, CA.
115. Harmon-Jones, E. (2005, November). *On understanding the emotive functions of asymmetrical frontal cortical activity*. Colloquium at Dept of Psychology, Rice University.
116. Harmon-Jones, E. (2005, November). *Bipolar disorder and behavioral approach system dysregulation*. Colloquium presented to Clinical Psychology Area at Texas A&M University.
117. Harmon-Jones, E. (2004, January). *The emotive function of asymmetrical frontal cortical activity and its implications for aggression, emotions, and psychopathology*. Invited colloquium at Iowa State University.
118. Harmon-Jones, E. (2004, February). *The emotive function of asymmetrical frontal cortical activity*. Invited colloquium at Texas A&M University.
119. Harmon-Jones, E. (2004, March). *The emotive function of asymmetrical frontal cortical activity*. Invited colloquium at Duke University.
120. Harmon-Jones, E. (2004, April). *The emotive function of asymmetrical frontal cortical activity*. Invited colloquium at Penn State University.
121. Harmon-Jones, E. (2004, May). *Recent developments in cognitive dissonance theory: An action-based model*. Invited presentation at annual meeting of Social Psychologists Around the Midwest, Lawrence, KS.
122. Harmon-Jones, E., (2004, May). *Asymmetrical frontal cortical activity, emotion, and motivation*. Invited talk at annual meeting of American Psychological Society, Chicago, IL.
123. Amodio, D. M., Devine, P. G., & Harmon-Jones, E. (2004, October). *The role of conflict-detection in stereotype control: Implications for individual differences in regulatory ability*. Paper presented at the annual meeting of the Society of Experimental Social Psychology, Fort Worth, TX.
124. Harmon-Jones, E. (2004, July). *An action-based model of cognitive dissonance*. Invited presentation at Conference on Integrative Competence, Osnabruck University, Osnabruck, Germany.
125. Harmon-Jones, E., (2004, October). *The action-based model of cognitive dissonance and its links to self-regulation and affective and cognitive neuroscience*. Invited presentation at annual meeting of Society for Experimental Social Psychology, Fort Worth, TX.
126. Harmon-Jones, E., (2004, October). *Using social psychological methods to induce anger with pictures: Implications for EEG asymmetry and startle eyeblink research*. Invited presentation at annual meeting of Society for Psychophysiological Research, Santa Fe, NM.
127. Harmon-Jones, E., (2004, October). *Left frontal cortical activity, decisional commitment, and attitude change*. Invited presentation at annual meeting of Society for Psychophysiological Research, Santa Fe, NM.
128. Harmon-Jones, E., (2004, November). *A cortico-centred model of approach- and withdrawal-related emotion*. Invited presentation at conference, Mapping the Evolution of the Social-Emotional Brain: The Triple Balance Hypothesis, Utrecht University, Utrecht, The Netherlands.

129. Harmon-Jones, E. (2003, January). *Anger, Approach Motivation, and Asymmetrical Frontal Cortical Activity*. Invited colloquium at Ohio State University.
130. Harmon-Jones, E. (2003, January). *The Action-Based Model of Dissonance*. Invited colloquium at Ohio State University.
131. Harmon-Jones, E. (2003, November). *Anger and approach motivation*. Invited colloquium at University of Texas – El Paso.
132. Harmon-Jones, E. (2002, February). *Insights gleaned from research on anger and asymmetrical frontal cortical activity*. Invited presentation at annual meeting of Society for Personality and Social Psychology, Savannah, Georgia.
133. Harmon-Jones, E. (2002, October). *Clarifying the Emotive Functions of Asymmetrical Frontal Cortical Activity Using Anger*. Invited presentation at annual meeting of Society for Psychophysiological Research, Washington, D. C.
134. Harmon-Jones, E. (2001, February). *The motivation underlying dissonance reduction: Justification of wrongdoing or facilitation of effective action?* Invited presentation at annual Attitudes Preconference at meeting of the Society for Personality and Social Psychology, San Antonio, Texas.
135. Harmon-Jones, E. (2001, June). *On the emotive functions of asymmetrical frontal cortical activity: The case of anger*. Invited presentation at annual meeting of the American Psychological Society, Toronto, Canada.
136. Harmon-Jones, E. (2001, August). *Whatever happened to cognitive dissonance theory?* Invited presentation at annual meeting of the American Psychological Association, San Francisco, California.
137. Amodio, D. M., Harmon-Jones, E., & Devine, P. G. (2001, October). *Automatic and controlled emotional race bias*. Invited presentation at annual meeting of Society for Psychophysiological Research, Montreal, Canada.
138. Harmon-Jones, E. (2001, October). *Psychophysiologic explorations into social perceptions, attitudes, and judgments*. Introductory remarks for symposium at annual meeting of Society for Psychophysiological Research, Montreal, Canada.
139. Coan, J. A., Allen, J. J. B., & Harmon-Jones, E. (2000, February). *Approach vs. withdraw tendencies and voluntary facial expressions*. Invited presentation at annual meeting of Society for Personality and Social Psychology, Nashville, Tennessee.
140. Harmon-Jones, E. (2000, February). *The effect of mindset on prefrontal cortical activity and cognitive dissonance reduction*. Invited presentation at annual meeting of Society for Personality and Social Psychology, Nashville, Tennessee.
141. Harmon-Jones, E. (2000, April). *Toward an understanding of the motivation underlying cognitive dissonance reduction*. Invited presentation at Northwestern University, Department of Psychology.
142. Harmon-Jones, E., Amodio, D., & Devine, P. G., (2000, September). *Examining the mechanisms underlying self-report measures, with an emphasis on their cognitive, emotional, motivational, and biological substrates*. Invited presentation at Fetzer Institute, Kalamazoo, Michigan.
143. Harmon-Jones, E. (2000, October). *Relationship between anger and asymmetrical frontal cortical activity*. Invited presentation at annual meeting of Society for Psychophysiological Research, San Diego, California.

144. Harmon-Jones, E. (1999, April). *The role of the anterior cortical regions in approach and withdrawal processes*. Invited presentation at University of Wisconsin – Madison, Department of Communication Arts.
145. Harmon-Jones, E. (1997, February). *Is feeling personally responsible for the production of aversive consequences necessary to create dissonance?* Invited presentation at conference, Cognitive Dissonance Theory 40 Years Later: A Revival with Revisions and Controversies, Arlington, Texas.
146. Harmon-Jones, E. (1997, June). *An action-based model of cognitive dissonance*. Invited presentation at Nags Head International Conference on Emotion and Motivation, Boca Raton, Florida.
147. Harmon-Jones, E. (1997, October). *Is feeling personally responsible for the production of aversive consequences necessary to create dissonance?* Invited presentation at annual meeting of Society for Experimental Social Psychology, Toronto, Canada.
148. Harmon-Jones, E. (1996, March). *The psychological functions of self-esteem and faith in the cultural worldview: A terror management theory analysis*. Invited presentation at colloquium series, Texas A & M University -- Corpus Christi.
149. Boldizar, J. P., Jones, E. A., & Khatri, P. (1991). *Social cognitions of victims of peer aggression: Perceptions of control and causality*. Paper presented at Society for Research in Child Development, Seattle, WA.
150. Boldizar, J. P., Khatri, P., & Jones, E. A. (1991). *Parents' disciplinary strategies, children's outcome cognitions, and aggression*. Paper presented at Society for Research in Child Development, Seattle, WA.
151. Jones, E. A., & Boldizar, J. P. (1990). *Relationship between learned helplessness/self-efficacy and being a victim of peer aggression*. Paper presented at Southeastern Undergraduate Research Conference, Jacksonville, AL.

Professional Activities

Affiliations

- Association for Psychological Science
- International Society for Research on Emotion
- Society for Personality and Social Psychology
- Society for Psychophysiological Research
- Society for Experimental Social Psychology

Editorships

- Co-editor with P. G. Devine of Special Section on Social Neuroscience at *Journal of Personality and Social Psychology: Attitudes and Social Cognition* (2003)
- Associate Editor – *Journal of Personality and Social Psychology: Personality Processes and Individual Differences* (2003 to 2005)
- Associate Editor – *Emotion* (2010 to present)
- Action Editor – *International Journal of Psychophysiology* (2011)
- Associate Editor – *Psychological Science* (2012 to present)
- Co-editor with J. van Honk of Special Issue on the Neuroscience of Motivation and Emotion at *Motivation and Emotion* (2012)

- Co-editor with Andreas Eder & Andrew Elliot of Special Issue on Approach and Avoidance Motivation at *Emotion Review* (2013)

Editorial Boards

- Basic and Applied Social Psychology (1999 to 2008)
- Journal of Personality and Social Psychology: Personality Processes and Individual Differences (2001 to 2010)
- Motivation and Emotion (2008 to 2011)
- Personality and Social Psychology Bulletin (2005 to 2009)
- Frontiers in Human Neuroscience (2008 to present)
- Frontiers in Perception Science (2010 to present)
- Frontiers in Emotion Science (2010 to present)
- Psychological Science (2009 to 2011)
- Cognition and Emotion (2009 to 2011)
- Social Psychology Compass (2009 to 2011)
- Personality and Social Psychology Review (2010 to present)
- Journal of Personality and Social Psychology: Attitudes and Social Cognition (2002 to 2003)
- Social Cognition (2002 to 2006)

Grant Panels

- NSF Social Psychology Panel – 2003 to 2006

Ad-Hoc Reviewing

Conferences

- 1996 Southwestern Psychological Association Convention Program Submissions
- 1997 Society for Psychophysiological Research Convention Program Submissions
- 2000 Society for Personality and Social Psychology Conference Program Submissions
- 2000 Society for Psychophysiological Research Convention Program Submissions
- 2002 American Psychological Association Division 8 Convention Program Submissions
- 2006 Society for Psychophysiological Research Convention Program Submissions

Grants

- STW - National Initiative Brain and Cognition; Healthy Lifestyle Solutions, Netherlands (2011)
- National Science Foundation (2000, 2001, 2002, 2006, 2007, 2008, 2009)
- National Institute of Mental Health (2002, 2006, 2007, 2008)
- Fetzer Institute (1998)

Journals

Journal of Personality and Social Psychology, Psychophysiology, Personality and Social Psychology Bulletin, Biological Psychology, Personality and Social Psychology Review, Neuroimage, Basic and Applied Social Psychology, Psychological Bulletin, European Journal of Social Psychology, Emotion, Journal of Experimental Social Psychology, Cognition and Emotion, Journal of Abnormal Psychology, Motivation and Emotion, British Journal of Clinical Psychology, Psychological Science, Infant Mental Health Journal, Theory and Psychology,

Personality and Individual Differences, Sex Roles, Journal of Applied Social Psychology, Psychiatry Research, Science, Biological Psychiatry, International Journal of Psychophysiology, Social Cognition, Brain Research, Psychoneuroendocrinology, Psychological Review, Quarterly Journal of Experimental Psychology

Books

-- Allyn & Bacon Publishing; Harcourt Brace College Publishers; Prentice-Hall, Inc.; American Psychological Association; Oxford Press

Service for Scientific Societies

- 1996 Southwestern Psychological Association Convention Session Chair
- 1997 Society for Psychophysiological Research Convention Program Committee
- 1997-2004 Student Enhancement and Retention Committee of the Society for Psychophysiological Research
- 1997 Organizer for APA-sponsored Cognitive Dissonance Theory Conference
- 2000 Society for Psychophysiological Research Convention Program Committee
- 2001 Society for Psychophysiological Research Convention Symposium Organizer
- 2002 Society for Personality and Social Psychology Convention Symposium Organizer
- 2003 Taught 2-week social neuroscience course at Summer Institute for Social Psychology, by Society for Personality and Social Psychology and National Science Foundation
- 2004 Hosted graduate student luncheon on social neuroscience at Society for Personality and Social Psychology Conference
- 2005 Hosted graduate student luncheon on post-doc opportunities at Society for Personality and Social Psychology Conference
- 2005 Hosted dinner at Southwestern Psychological Association meeting for students to meet research professors
- 2006 Hosted graduate student luncheon on post-doc opportunities at Society for Personality and Social Psychology Conference
- 2006 Society for Psychophysiological Research Convention Program Committee
- 2008 Society for the Study of Motivation, Organized Invited Symposium on Neuroscience Perspectives on Motivation
- 2009 Society for the Study of Motivation, Convention Program Committee
- 2009 Society for Psychophysiological Research Convention, hosted luncheon on EEG asymmetry
- 2009 to 2011: Society for the Study of Motivation Council Representative
- 2010 to 2011: Society for the Study of Motivation, Publications Committee (co-chair)
- 2011 to 2014: Society for Psychophysiological Research, Board of Directors
- 2011: Society for Psychophysiological Research Convention, Early Careers Conversation Hour Speaker
- 2012: Society for Psychophysiological Research Convention Program Committee

Other Professional Service

External dissertation committee member:

Nellie Lucas, 2006, University of Melbourne, Australia

Peter Putman, 2006, Utrecht University, The Netherlands
 Aydin Karacanta, 2007, Macquarie University, Australia
 Jacobien van Peer, 2009, Leiden University, The Netherlands
 Meredith McHugh, 2010, Griffith University, Australia
 Jill Malik, 2010, Stony Brook University
 Melike M. Fourie, 2011, University of Cape Town, South Africa
 Erik Bijleveld, Utrecht University, 2012
 Dennis Hofman, Utrecht University, 2013

Graduate Students

David M. Amodio (Ph.D., 2003, University of Wisconsin), currently Associate Professor of Psychology, New York University

- 2004 Dissertation Award, Society for the Psychological Study of Social Issues (SPSSI)
- 2003 Tursky Award, Society of Psychophysiological Research
- 2003 Student poster research award, Society for Personality and Social Psychology
- 2002 Dissertation Research Award, American Psychological Association
- 2002 Weiner Graduate Research Award, Department of Psychology, UW – Madison
- 2002 Student Travel Award, Society for Personality and Social Psychology
- 2001-2002 Dissertation Fellowship, The Graduate School, University of Wisconsin – Madison
- 2001, 2002 Vilas Awards, The Graduate School, University of Wisconsin
- 2001 Travel Fellowship, Social Cognitive Neuroscience meeting, UCLA
- 2001-2002 Marion Schwartz Fellowship
- 2000 Leonard Berkowitz Dissertation Research Award
- 1998-2003 Psychology Department Travel Awards (8), University of Wisconsin – Madison

Amanda Brodish (Ph.D., 2007, University of Wisconsin), currently Research Fellow, University of Michigan

Philip A. Gable (Ph.D., 2010, Texas A&M University), currently Assistant Professor of Psychology, University of Alabama

- 2010, Association of Former Students Distinguished Graduate Research Award (\$500), University level award for distinguished achievement in research.
- 2009, George W. Kunze Prize (\$1000) – University level award for superior academic achievement and service contributions to the university and community - sole recipient.
- 2009, College of Liberal Arts Dissertation Research Award (\$5000) – Pre-doctoral research funding for outstanding dissertation research and distinguished publication record.
- 2009, Society for Personality and Social Psychology Student Travel Award (\$500) – Competitive travel stipend to attend the SPSP conference.

Robin Nusslock (Ph.D., 2009, University of Wisconsin), currently Assistant Professor of Psychology, Northwestern University

- 2007, Graduate Student Travel Award, UW-Madison

- 2006, Graduate Student Research Award, UW-Madison
- 2004, Ramona Messerschmidt Research Award

Carly Peterson (Ph.D., 2012, Texas A&M University), currently a research scientist at Psychology Section, Minneapolis VA Health Care System, Minneapolis, Minnesota, USA.

- 2011 Saul Sells Research Award, Texas A&M University Department of Psychology
- 2011 Dissertation Award, Texas A&M University College of Liberal Arts
- 2010 Distinguished Research Award, TAMU Department of Psychology Clinical Area
- 2008 Second Place, First Year Project Poster Competition, TAMU Department of Psychology
- 2008 Student Travel Award to Society for Personality and Social Psychology Annual Meeting

Tom F. Price (Ph.D., 2012, Texas A&M University), currently Post-Doctoral Fellow, Harvard Medical School

Snezana Urosevic (Ph.D., 2008, University of Wisconsin), currently Post-Doctoral Fellow, University of Minnesota

Leah R. Zinner (Ph.D., 2008, University of Wisconsin), currently Assistant Professor of Psychology, Oglethorpe University

University and Departmental Service

At University of Wisconsin -- Madison

- Member of Search Committee for Professor in Social Psychology (1997-98; 2000-01; 01-02)
- Chair of Search Committee for Professor in Social Psychology (2002-03)
- Psychology Department Elections Committee (1998-99)
- Psychology Department Space Committee (1998-99)
- Psychology Department Web Committee (1999-2004)
- Psychology Department Research and Equipment Committee (1999-2004)
- Committee to Evaluate Psychology Staff Merit (1999-2000)
- Participated in site-visit of UW by the NIH Office of Human Research Protection (2000)
- Member of Search Committee for Professor in Health and Behavior Psychology (2000-01)
- Undergraduate Bookstore Academic Excellence Awards Committee for Social Studies (00-01)
- Chair of Social and Personality Area Group (2000-01)
- Member of Letters and Science Human Subjects Committee (2001-03)
- Psychology Department Graduate Studies Committee (2001-03)
- Head of search committee to hire electronic shops supervisor (2003-04)
- Wrote 2 successful university-wide proposals to fund visits by prominent scholars (2000-01)

At Texas A&M University

- Search committee for Head of Sociology (2005)
- Chaired Social Psychology Professor Search Committee (Fall, 2004; Fall, 2005; Fall, 2008; Fall, 2009)
- Advisory Committee Member in Psychology (2004/2005; 2005/2006; 2010/2011)

- Social Psychology Area Coordinator (2004/2005; 2005/2006; 2010/2011)
- Organized recruitment efforts for graduate students in social (2005, 2006, 2008)
- Coordinator of Introductory Psychology Human Subject Pool (2005 to 2011)
- Promotion & Tenure Review Committee
- Faculty of Neuroscience Speaker Series Committee Member (2007 to 2011)
- Search committee for Quantitative Professor in Psychology (Fall, 2006)
- University Human Subjects Internal Review Board (2007 – 2009)
- Discussant at Office of Proposal Development seminar on obtaining NSF funding (2007)
- Discussant at Office of Proposal Development seminar on obtaining NSF funding (2008)
